PASEO CONDOMINIUM ASSOCIATION RULES AND REGULATIONS – Version 2 – June 2018

The rules and regulations for Paseo, a Condominium (the “Condominium”) hereinafter enumerated shall be deemed in effect until amended by the Board of Directors of Paseo Condominium Association, Inc. (the “Association”), and shall apply to and be binding upon all unit owners. The unit owners shall, at all times, obey said rules and regulations, and shall use their best efforts to see that they are faithfully observed by their families, guests, invitees, lessees and all other persons over whom they exercise control and supervision. The initial Rules and Regulations are as follows:

1. Building Appearance and Maintenance.

A. Streets, sidewalks, driveways, entrances and stairs must not be obstructed or encumbered or used in any manner for any purpose other than ingress and egress to and from the units, nor shall any bicycles, wagons, carts, chairs, benches, tables or any other objects of a similar nature be left therein or thereon.

B. Personal property belonging to unit owners shall not be stored outside their units or garages, except that plants and outdoor furniture may be stored on verandas.

C. The limited common elements and common elements shall be kept free and clear of refuse, debris and other unsightly materials.

D. No person shall sweep or throw any dirt, waste or other substances out of the unit or the limited common elements.

E. Garbage and trash shall be securely bagged in white plastic trash bags. Recyclable material shall be securely bagged in clear plastic bags. All cardboard boxes shall be broken down and flattened. All trash and recyclables may be placed outside the garage of each unit for pick up by the Association’s trash valet service on Monday and Thursday mornings by 9:00AM.

F. No sign, advertisement, notice or other similar material shall be exhibited, displayed, inscribed, painted or affixed, in or upon any part of units, limited common elements or common elements by any person other than the Association without prior written approval of the Board of Directors.

G. No unit owner or resident, or their families, guests, employees, agents or visitors shall at any time or for any reason whatsoever, climb or enter upon the roofs of the buildings.

H. All window and door coverings, whether draperies, curtains, shades, blinds, or other materials visible from the exterior of the unit, shall be white or off-white or neutral in color.

I. No lights, light displays, or ornamentation may be permanently affixed to any unit, including patios, balconies, or lanais without the express consent of the Board of Directors.

J. No bicycles, baby strollers or carriages or similar vehicles or toys shall be stored, placed or maintained on verandas, patios, lanais, or porches, nor shall any linens, cloths, towels, clothing, rugs, mops, or laundry of any kind, or other articles be shaken or hung from any of the windows or doors, verandas, patios, lanais, or porches, or exposed on any part of the limited common elements or common elements. Limited common elements include condominium owners’ balconies, patios and lanais.

2. Alteration of Condominium. Unit owners are specifically cautioned that their right to make any addition, change, alteration or decoration to the exterior appearance of any portion of the Condominium is subject to the provisions of the Declaration of Condominium and to further regulation by the Paseo Master Property Owners Association (“Master Association”). No unit owner may install screen doors, screen their balconies, terraces and lanais, apply any type of film or covering inside or outside of window glass or doors without prior approval of the

Association. No additions or alterations may be made to the outside of any condominium unit, common element or limited common element. Any changes or alterations with regard to the addition of screening must be presented in writing to the Board of Directors and the Master Association for prior approval accompanied by written plans and specifications or drawings. All work must be done by a licensed and insured contractor. Proof of insurance and license must be presented at the time of application to the Association. The Board of Directors may approve such requests only if the Association is protected against or indemnified as to construction liens and / or claims arising from such work.

3. Emergencies in Owner's Absence. In order that proper steps and procedures may be taken in minimum amount of time during an emergency situation, the Association shall retain pass-keys to all units. The locks of each unit shall not be changed or altered in any way that would prevent such Association access when the unit is unoccupied without providing the Association with a duplicate key for such entry. Any unit owner who plans to be absent from his or her unit for an extended period of time must prepare the unit prior to departure in the following manner:

A. By removing all furniture, plants and other objects from around the outside of the unit.

B. By designating a responsible caretaker to care for his or her unit should the unit suffer any damage caused by storms, hurricanes, winds, violent acts of nature or other emergency including water leaks. The

Association shall be provided with the name of each unit owner's designated caretaker. Such caretaker will notify the Association prior to making any entry into the unit during the unit owner's absence in an emergency.

4. Pets. There are restrictions in the Declaration of Condominium on the number and type of pets allowed in the Condominium. Pets shall always be leashed or carried while on the common elements or Association property. Tenants and guests of unit owners are not permitted to have pets on Condominium property; however, the Board of Directors reserves the right to make exceptions to the aforementioned prohibition against the keeping of pets by tenants and guests in individual and limited circumstances where the keeping of the pet is medically necessary or integral to the well-being of the tenant or guest.

5. Parking of Vehicles. Parking behind garages in the condominium community is prohibited. Temporary parking is allowed behind garages for loading and unloading purposes only and a vehicle may not remain parked behind the garage for more than 30 minutes. The exception to this prohibition is a vendor's service vehicle making repairs to the unit. The Association management should be notified of the exception for maintenance. Parking is available in designated areas on the streets and within the perimeter of the Quad units. Designated parking is not intended for use by boats, motorcycles, recreational vehicles, campers, motor homes, trailers, commercial trucks or non-operational automobiles. Only pick-up trucks that fit within the dimensions of a unit owner's garage may be parked on the street or designated parking areas. No repairs or maintenance of vehicles may be performed on the

Condominium property outside of garages, except emergency repairs. Vehicles may be washed on the owner's driveway, unless an exclusive area in Paseo is specifically designated therefor by the Board of Directors of the Association, or by the Master Association. Because parking spaces are limited in number, each owner is specifically cautioned that the Association may prohibit owners and/or occupants of any unit from keeping more than two (2) motor vehicles on the premises on a regular or permanent basis.

6. Nuisance. No unit owner shall make or permit any disturbing noises by himself / herself, his / her family, guest, invitee, lessee, nor do or permit anything by such persons that will interfere with the rights, comforts or convenience of other unit owners. No unit owner may play upon or permit to be operated a stereo, television, radio, ipod or musical instrument in such a manner as to unreasonably disturb or annoy other occupants of the Condominium. No music may be played outside of an owner's unit.

7. Outdoor Cooking/Grilling. No outdoor cooking or grilling shall be permitted on the common elements, limited common elements or elsewhere on Condominium property, unless such an area is specifically designated by the Board of Directors for such purpose. If outdoor cooking or grilling is permitted, the Board shall have the right to promulgate rules and regulations governing all aspects thereof. No burning charcoal may be left unattended in the community parks.

8. Moving. Any person moving furniture, furnishings or other personal property in or out of a unit must notify the management company in advance of such move. All such moving activity shall occur Monday through Saturday between the hours of 8:00 a.m. and 6:00 p.m.

9. Right to Speak at and Electronically Record Board and Member Meetings. A unit owner wishing to speak at a Board or members' meeting on a particular agenda item must sign in with the Association prior to commencement of the meeting. A unit owner may only speak one time and for up to three (3) minutes, and only while the agenda matter is on the floor for discussion. A unit owner wishing to electronically record a Board meeting or members' meeting shall give written notice to the Association's management, Secretary or Chair, not less than five (5) minutes advance notice before commencement of the

meeting. The recording equipment or device used by the unit owner shall not produce distracting sounds or light emissions, and shall be assembled and placed in position in advance of commencement of the meeting in a location acceptable to the Association. Persons using recording equipment must do so from their seats. No unit owner shall be permitted to move about the room during the meeting in order to facilitate such recording.

10. Use of Common Elements and Association Property. Common areas and Association property shall only be used for their designated purposes. Unit owners shall be held financially responsible to the Association for any damage to the common elements or Association property or improvements, systems or equipment thereon caused by a unit owner or his or her family, guests, invitees, lessees, and all other persons over whom the unit owner exercises control and supervision.

11. Compliance with Rules and Regulations by Guests and Lessees of Unit Owners. Unit owners shall furnish to all guests and lessees a copy of the rules and regulations and shall be responsible for their compliance. Violations of the rules and regulations should be reported to the Association's management in writing.
