ARTICLE II

PROPERTY SUBJECT TO THIS DECLARATION

2.1. Initial Property. The Property which is initially subject to the easements, covenants, conditions, and restrictions imposed by this Declaration is described in Exhibit A.

2.2. Additional Property. The Developer may subject additional property to this Declaration, including without limitation, Neighborhoods, Common Areas, Recreational Facilities, Roads, vacant lands, and properties of all types, including undeveloped lands, platted subdivisions, and lots by recording in the public records of the County, a Subsequent Amendment to this Declaration describing the property to be submitted to this Declaration and setting forth any use restrictions, voting rights, maintenance requirements, user fees, dues, or other provisions pertaining to such additional property, if any. Despite the fact that Developer's submission of additional property to this Declaration may result in an overall increase in the Common Expenses, and a resulting increase in the Assessments payable by each Unit, or may result in an increase in the total number of votes or Members in the Association, the Developer shall not be required to obtain the joinder or consent of the Association, any Unit Owner, any other Person, or any Mortgagee except for the approval, if required, of the County. Any property submitted to this Declaration by Subsequent Amendment, shall be included in the term "Property", and shall be part of Island Walk.

2.3. Withdrawal of Property. The Developer reserves the right to amend this Declaration so long as it has a right to annex additional property pursuant to this Article, without prior notice and without the consent of any Person, for the purpose of removing property then owned by the Developer, its affiliates, or the Association from the coverage of this Declaration to the extent
originally included in error or as a result of any changes in the Developer's plans for the Properties, provided such withdrawal is not contrary to the overall, uniform scheme of development of the Properties.

2.4. Additional Covenants and Easements. The Developer may unilaterally subject any portion of the property submitted to this Declaration initially or by Subsequent Amendment to additional covenants and easements, including covenants obligating the Association to maintain and insure such property on behalf of the Owners, and obligating such Owners to pay the costs incurred by the Association through Assessments. Such additional covenants and easements shall be set forth in a Subsequent Amendment filed concurrent with, as a part of, or after the annexation of the subject property, and shall require the written consent of the owner(s) of such property, if other than the Developer.

2.5. Amendment. This Article shall not be amended without the prior written consent of the Developer so long as the Developer owns any property in Island Walk.

ARTICLE III

PROPERTY RIGHTS

3.1. Use of Common Area. Every Owner shall have a right and easement of enjoyment in and to the Common Area, subject to this Declaration as it may be amended from time to time, and subject to any restrictions or limitations contained in this Declaration or in any deed conveying such property to the Association. Any Owner may delegate his or her right of enjoyment to the members of his or her family, tenants, and social invitees subject to reasonable regulation by the Board, and in accordance with procedures which it may adopt. An Owner who leases his or her Unit shall be deemed to have delegated all such rights to the Unit's lessee. The rights and easements of enjoyment created hereby shall be subject to the following:

A. The right of the Association, acting through the Board, to mortgage, pledge, or hypothecate any or all of its real and personal property as security for money borrowed or debts incurred.

B. The right of the Association to take such steps as are reasonably necessary to protect the Common Property against foreclosure.

C. The right of the Association to suspend:

the Common Areas for a period not to exceed 30 days for a single violation, or for a longer period in the case of any continuing violation (other than a delinquent Assessment), of the Declaration, any applicable Subsequent Amendment, the Articles, the By-Laws, or the Rules and Regulations of the Association after notice and hearing pursuant to the By-Laws.

D. The right of the Association to maintain the Common Property.

E. The right of the Board to adopt rules and regulations affecting the use and enjoyment of the Common Area, including, without limitation, rules restricting use of Recreational Facilities within the Common Area to occupants of Units and their guests and rules limiting the number of guests who may use the Common Area.

F. The Board shall have the right to post motor vehicle speed limits throughout the Common Areas, and to promulgate traffic regulations for the Roads. The Board may also promulgate procedures for the enforcement of the traffic regulations, including, without limitation, the assessment of fines against Owners who violate the traffic regulations and against Owners, whose family members, guests, invitees, licensees, employees, or agents violate the traffic regulations. The fines will be levied as a Special Assessment upon the Owner who violates the traffic regulations, or upon the Owner whose family members, guests, invitees, licensees, employees, or agents violate the traffic regulations. Before any fine shall be effective, the Owner shall be entitled to notice and an opportunity to be heard before the Board.

G. The right of the Association to dedicate or transfer all, or any part, of the Common Property to any governmental or quasi-governmental agency, authority, utility, water management or water control district.

H. The Restrictions contained on any plat, or filed separately, with respect to all or any portion of the Property.

I. All of the provisions of this Declaration, the Articles, and By-Laws of the Association and all exhibits thereto, and all Rules and Regulations adopted by the Association, as same may be amended from time to time.

J. The Owners' easements of enjoyment shall be subject to easements, hereby reserved over, through and underneath the Common Property, and the Units for present and future utility services to the Property, including, but not limited to, easements for water pipes, sanitary sewer pipes, drainage pipes, irrigation pipes, electric lines, telephone lines, cable television lines, and other utility services. Easements for such utility services are reserved by Developer for all buildings and improvements which have been or may be constructed on the Property, and Developer may grant specific easements to utility companies and to other Persons as may be reasonably necessary.
K. Notwithstanding the fact that parts of the bicycle/pedestrian path in Island Walk may be located within certain Neighborhoods in the Property, such paths are subject to an easement for use by all Owners of property within Island Walk, their guests, licensees and invitees.

L. In case of any emergency originating in, or threatening the Property or any Unit, regardless of whether the Owner is present at the time of such emergency, the Board, or any other Person authorized by the Board, or the management agent under a management agreement, shall have the right to enter the Property or such Unit, for the purpose of remedying, or abating, the cause of such emergency, and such right of entry shall be immediate.

3.2. **Title to Common Area.** The Developer shall not be required to convey title to the Common Area or any portion thereof to the Association until the Transfer Date. Notwithstanding the manner in which title is held, the Association shall be responsible for the management, maintenance, and operation of the Common Areas, and for the payment of all real estate taxes and other charges which are liens against the Common Area, from and after the recording of this Declaration. On or before the Transfer Date, the Developer shall convey the Common Area to the Association by quitclaim deed. The Developer shall not be required to provide any title insurance or other related title documents to the Association in connection with the conveyance of the Common Areas. Certain portions of the Common Areas may be reserved as limited common areas for the exclusive use and benefit of a Neighborhood or of certain Unit owners.

3.3. **Amendments, Withdrawals, and Amendments.** Pursuant to the provisions of Article II, and the amendment powers set forth in this Declaration, the Developer, its successors and assigns, reserves the right to amend this Declaration during the Class "B" Control Period, to annex additional property to the Common Area, to withdraw property from the Common Area, and to amend the provisions of this Declaration as they may apply to the Common Area.

**ARTICLE IV**

**ASSOCIATION FUNCTION, MEMBERSHIP AND VOTING RIGHTS**

4.1 **Function of Association.** The Association shall be the entity responsible for management, maintenance, operation and control of the Common Area within the Properties. The Association shall be the primary entity responsible for enforcement of this Declaration and such reasonable Rules and Regulations as the Board may adopt. The Association shall also be responsible for administering and enforcing the architectural standards and controls set forth in this Declaration. The Association shall perform its functions in accordance with this Declaration, the By-Laws, the Articles, and Florida Law.

4.2 **Membership.** The owner of the fee simple title of record of each Unit shall be a mandatory member of the Association. Each Unit Owner shall become a Member of the Association upon acceptance of the deed to his Unit. As a Member of the Association, the Owner shall be
governed by the Homeowners Documents; and shall be entitled to one (1) membership for each Unit owned. In the event the Owner of a Unit is more than one (1) Person, votes and rights of use and enjoyment shall be as provided herein. The rights and privileges of Membership may be exercised by a Member or the Member’s spouse, subject to the provisions of this Declaration and the By-Laws. The Membership rights of a Unit owned by a corporation or partnership shall be exercised by the individual designated by the Owner in a written instrument provided to the Secretary of the Association.

4.3. **Voting.** The Association shall have two (2) classes of membership, Class "A" and Class "B", as follows:

A. Class "A" Members shall be all Owners except the Class "B" Member. A Class "A" Members shall be entitled to one (1) vote for each Unit owned by such Member. Unless otherwise specified in this Declaration or the By-Laws, the vote for each Unit shall be exercised by the Voting Member representing the Neighborhood of which the Unit is a part.

In any situation where a Member is entitled personally to exercise the vote for his Unit, and more than one (1) Person holds the interest in such Unit, the vote for such Unit shall be exercised as those Persons owning the Unit determine among themselves, and advise the Secretary of the Association prior to casting their vote. In the absence of such advice, the Unit's vote shall be suspended if more than one (1) Person seeks to exercise it.

B. The Class "B" Member shall be the Developer. The rights of the Class "B" Member, including the right to approve or withhold approval of actions proposed under this Declaration and the By-Laws, are specified elsewhere in the Declaration and the By-Laws. The Class "B" Member shall be entitled to one (1) vote per Unit owned and, in addition, shall be entitled to appoint a majority of the members of the Board during the Class "B" Control Period. The Class "B" membership shall terminate and become converted to Class "A" membership on the Transfer Date.

C. Except as otherwise specified in this Declaration or the By-Laws, the vote for each Unit owned by a Class "A" Member shall be exercised by the Voting Member representing the Neighborhood of which the Unit is a part. The Voting Member may cast all such votes as the Voting Member, in his or her discretion, deems appropriate.

4.4. **Neighborhoods.**

A. Every Unit shall be located within a Neighborhood. The Units within a particular Neighborhood may be subject to additional covenants, and the Unit Owners may be members of another owners association ("Neighborhood Association") in addition to the Association, but no such Neighborhood Association shall be required except in the case of a condominium, or as otherwise required by law. Any Neighborhood which does not have a
Neighborhood Association may elect a Neighborhood Committee to represent the interests of the Owners of Units within such Neighborhood.

B. Each Neighborhood Association or Committee, upon the affirmative vote, written consent, or a combination thereof, of the majority of Owners within the Neighborhood, may request that the Association provide a higher level of service or special services for the benefit of Units in such Neighborhood, the cost of which shall be assessed against the benefitted Units as a Neighborhood Assessment.

C. Exhibit "A" to this Declaration, and each Subsequent Amendment filed to subject additional property to this Declaration, may assign the property described therein to a specific Neighborhood by name, which Neighborhood may be then existing or newly created. The Developer may unilaterally amend this Declaration or any Subsequent Amendment to redesignate Neighborhood boundaries; provided, two or more Neighborhoods shall not be combined without the consent of Owners of a majority of the Units in the affected Neighborhoods.

D. The Owner(s) of a majority of the total number of Units within any Neighborhood may at any time petition the Board of Directors to divide the property comprising the Neighborhood into two or more Neighborhoods. Such petition shall be in writing and shall include a survey of the entire parcel which indicates the boundaries of the proposed Neighborhood(s) or otherwise identifies the Units to be included within the proposed Neighborhood(s). Such petition shall be granted upon the filing of all required documents with the Board unless the Board denies such application in writing within 30 days of receipt. The Board may deny an application only upon determination that there is no reasonable basis for distinguishing between the areas proposed to be divided into separate Neighborhoods. All applications and copies of any denials shall be filed with the books and records of the Association and shall be maintained as long as this Declaration is in effect.

4.5. Voting Members. The Class "A" Members within each Neighborhood shall be entitled to have one Voting Member for each 50 Units within the Neighborhood (rounded up to the nearest 50). On all Association matters requiring a Membership vote, each such Voting Member(s) shall be entitled to cast that number of votes determined by dividing the total number of Class "A" votes attributable to Units in the Neighborhood by the number of Voting Members representing such Neighborhood, except as otherwise specified in this Declaration or the By-Laws.

A. The Neighborhood Committee Members from each Neighborhood shall be elected on an annual basis, either by written ballot or at a meeting of the Class "A" Members within such Neighborhood, as the Board determines; provided, upon written petition of Class "A" Members holding at least 10% of the votes attributable to Units within any Neighborhood, the election for such Neighborhood shall be held at a meeting. The presence, in person or by proxy, of Class "A" Members representing at least 33% of the total Class "A" votes attributable to Units in the Neighborhood shall constitute a quorum at any Neighborhood meeting. The Voting Member(s) and
alternate Voting Member(s) from each Neighborhood shall be elected by the Neighborhood Committee members in accordance with the By-Laws.

B. The Board shall call for the first election of Neighborhood Committee members not later than two years after the first conveyance of a Unit in the Neighborhood to an Owner. Subsequent elections shall be held annually thereafter. The candidate for each position on a Neighborhood Committee who receives the greatest number of votes shall be elected to serve a term of one year and until a successor is elected. Any Owner of a Unit in the Neighborhood may submit nominations for elections or declare himself a candidate in accordance with procedures which the Board may establish.

C. Any Neighborhood Committee member or any Voting Member may be removed, with or without cause, upon the vote or written petition of Owners of a majority of the total number of Units owned by Class "A" Members in the Neighborhood which such Neighborhood Committee member or Voting Member represents.

D. Until such time as the Board first calls for election of Neighborhood Committee members for a Neighborhood, the Owners within such Neighborhood may personally cast the votes attributable to their respective Units on any issue requiring a vote of the Voting Members under this Declaration, the By-Laws, or the Articles.

4.6. Voting Groups. The Developer may designate Voting Groups consisting of one or more Neighborhoods for the purpose of electing directors to the Board, in order to promote representation on the Board of Directors for various groups having dissimilar interests and to avoid a situation in which the Voting Members representing similar Neighborhoods are able, due to the number of Units in such Neighborhoods, to elect the entire Board, excluding representation of others. Following termination of the Class "B" Control Period, the number of Voting Groups within the Properties shall not exceed the total number of directors to be elected by Class "A" Members pursuant to the By-Laws. The Voting Members representing the Neighborhoods within each Voting Group shall vote on a separate slate of candidates for election to the Board, with each Voting Group being entitled to elect the number of directors specified in the By-Laws.

A. The Developer may establish Voting Groups, if at all, not later than the date of expiration of the Class "B" Control Period by filing with the Association and in the public records of the County, a Subsequent Amendment upon the vote of a majority of the total number of directors. Neither recordation nor amendment of such Subsequent Amendment shall constitute an amendment to this Declaration, and no consent or approval of any Person shall be required except as stated in this paragraph. Until such time as Voting Groups are established, all of the Properties shall constitute a single Voting Group. After a Subsequent Amendment establishing Voting Groups has been filed, any and all portions of the Properties which are not assigned to a specific Voting Group shall constitute a single Voting Group.
ARTICLE V

RIGHTS AND OBLIGATIONS OF THE ASSOCIATION

5.1. Common Area. The Association, subject to the rights of the Owners set forth in this Declaration, shall own, manage, and control the Common Area and all improvements thereon (including, without limitation, furnishings, equipment, and common landscaped areas), and shall keep it in good, clean, attractive, and sanitary condition, order, and repair, consistent with this Declaration and the Community-Wide Standard.

5.2. Personal Property and Real Property for Common Use. The Association may acquire, hold, and dispose of tangible and intangible personal property and real property. The Developer may convey to the Association improved or unimproved real estate and the surface water management system located within the Properties, personal property, and leasehold and other property interests. Such property shall be accepted by the Association, and thereafter shall be maintained as Common Area by the Association at its expense for the benefit of its Members, subject to any restrictions set forth in the conveying deed or instrument.

5.3. Rules and Regulations. The Association, through its Board, may make and enforce reasonable rules governing the use of the Properties, in addition to, further defining or limiting, and, where specifically authorized hereunder, creating exceptions to those covenants, conditions and restrictions set forth in this Declaration. Such rules shall be binding upon all Owners, occupants, invitees, and licensees until and unless repealed or modified in a regular or special meeting by the vote of Voting Members representing 51% of the total Class "A" votes in the Association, and by the Class "B" Member, so long as such membership exists.

5.4. Implied Rights; Board Authority. The Association may exercise any other right or privilege given to it expressly by this Declaration or the By-Laws, or reasonably implied from or reasonably necessary to effectuate any such right or privilege. Except as otherwise specifically provided in this Declaration, the By-Laws, Articles, or by law, all rights and powers of the Association may be exercised by the Board without a vote of the Membership.

5.5. Governmental Interests. So long as the Developer owns any property described on Exhibit "A", the Developer may designate sites within the Properties for fire, police, utility facilities, and other public facilities. The sites may include Common Areas.

5.6. Indemnification. The Association shall indemnify every officer, director, and committee member against all expenses, including counsel fees, reasonably incurred in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board) to which he or she may be a party by reason of being or having been an officer, director, or committee member.
The officers, directors, and committee members shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct, or bad faith. The officers and directors shall have no personal liability with respect to any contract or other commitment made or action taken in good faith on behalf of the Association (except to the extent that such officers or directors may also be Members of the Association). The Association shall indemnify and forever hold each such officer, director and committee member harmless from any and all liability to others on account of any such contract, commitment or action. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any present or former officer, director, or committee member may be entitled. The Association shall, as a Common Expense, maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such insurance is reasonably available.

5.7. **Dedication of Common Areas.** The Association may dedicate portions of the Common Areas to the County, or to any other local, state, or federal governmental entity, subject to such approval as may be required by this Declaration.

5.8. **Security.** The Association may, but shall not be obligated to, maintain or support certain activities within the Properties designed to make the Properties safer than they otherwise might be. Neither the Association, the Developer, nor any successor developer shall in any way be considered insurers or guarantors of security within the properties, nor shall any of them be held liable for any loss or damage by reason of failure to provide adequate security or of ineffectiveness of security measures undertaken. No representation or warranty is made that any fire protection system, alarm system, or other security system cannot be compromised or circumvented, nor that any such systems or security measures undertaken will in all cases prevent loss, or provide the detection or protection for which the system is designed or intended. Each Owner acknowledges, understands, and covenants to inform its lessees that the Association, its board of directors and committees, Developer, and any successor developer are not insurers and that each person using the properties assumes all risks for loss or damage to persons, to Units, and to the contents of Units resulting from acts of third parties.

5.9. **Powers of the Association Relating to Neighborhoods.** The Association shall have the power to veto any action taken or contemplated to be taken by any Neighborhood Association or Neighborhood Committee which the Board reasonably determines to be adverse to the interests of the Association or its Members, or inconsistent with the Community-Wide Standard. The Association also shall have the power to require specific maintenance or repairs or aesthetic changes to be effectuated by the Neighborhood Association or Neighborhood Committee, and to require that a proposed budget include certain items and that specific expenditures be made.

A. Any action required by the Association in a written notice pursuant to the foregoing paragraph to be taken by a Neighborhood Association or Neighborhood Committee shall be taken within the reasonable time frame set by the Association in such written notice. If the Neighborhood Association or Neighborhood Committee fails to comply with the requirements set
forth in such written notice, the Association shall have the right to effect such action on behalf of the Neighborhood Association or Neighborhood Committee.

B. To cover the Association's administrative expenses in connection with the foregoing and to discourage failure to comply with the requirements of the Association, the Association shall assess the Units in such Neighborhood for their pro rata share of any expenses incurred by the Association in taking such action in the manner provided above. Such Assessments may be collected as a Special Assessment hereunder and shall be subject to all lien rights provided for herein.

5.10. **Recycling Programs.** The Board may establish a recycling program and recycling center within the Properties and in such event, all occupants of Units shall support such program by recycling, to the extent reasonably practical, all materials which the Association's recycling program or center is set up to accommodate. The Association may, but shall have no obligation to, purchase recyclable materials in order to encourage participation and any income received by the Association as a result of such recycling efforts shall be used to reduce Common Expenses.

5.11. **Surface Water Rights.** The Association shall have all rights to ground water, surface water, and storm water runoff within the Properties. No Person other than the Association shall claim, capture, or collect rainwater, ground water, surface water or storm water runoff within the Properties without prior written permission of the Association. The Association may establish programs for reclamation of surface water and storm water runoff for appropriate uses within the Properties, and may require Owners and occupants of Units to participate in such programs to the extent reasonably practical. No Owner or occupant of a Unit shall have any right to be compensated for water claimed or reclaimed from Units. The Board shall also have the right to establish restrictions on the use of surface water within the Properties. Lakes, canals, and other open surface waters with the Properties are designed as water retention and water management areas and are not designed solely as aesthetic features. From time to time, low ground water elevations or drought conditions may cause the Common Area lakes, canals, and other water management areas to be shallow.

5.12. **Water Management System.** The Association shall be responsible for operating, maintaining, and monitoring all aspects of the Water Management System, including, without limitation, any wetland mitigation monitoring which may be required by the South Florida Water Management District pursuant to the permit attached as Exhibit "D" hereto. The Association shall be the entity responsible for complying with all conditions of such permit including, without limitation, making all reports associated with the maintenance and monitoring of the Water Management System and any wetland mitigation monitoring.

5.13. **Commercial Common Areas.** Portions of the Common Areas may be designated by the Association for commercial uses. The Board shall determine the manner in which commercial portions of the Common Areas are held, maintained, and operated. The Association may designate
another Person or entity to hold, operate, and manage any commercial portions of the Common Areas for the benefit of the Association. Where advisable, income, if any, from the rental of portions of the Common Areas in a commercial capacity, may be used to reduce the Common Expenses of the Association.

ARTICLE VI

MAINTENANCE

A. The Association shall maintain and keep in good repair the Common Areas. The maintenance of the Common Areas shall include, without limitation, maintenance, repair, and replacement, subject to any insurance then in effect, of all Roads and rights-of-way; all plantings and sodding of such rights-of-way; all perimeter plantings and sod; right-of-way, perimeter, and other Association irrigation facilities and pumps; perimeter walls or fences; bridges; bicycle/pedestrian paths; sidewalks; lakes; water features; Recreational Facilities: office facilities; street lights; road and identification signage; security facilities and equipment; drainage facilities and water control structures; water and lake treatment facilities; Association parking facilities; sod, landscaping and other flora located on the Common Areas; and other structures and improvements situated upon the Common Area.

B. The cost to the Association of maintaining the Common Areas shall be assessed equally among the Unit Owners, as part of the Common Expenses pursuant to the provisions of this Declaration. The Association may, in the discretion of its Board, assume the maintenance responsibilities of a Neighborhood. In such event, all costs of such maintenance shall be assessed only against the Units within the Neighborhood to which services are provided. This assumption of responsibility may take place either by contract or agreement or because, in the opinion of the Board, the level and quality of service then being provided is not consistent with the Community-Wide Standard of the Properties. The provision of services in accordance herewith shall not constitute discrimination within a class.

C. The Association may maintain property which it does not own, including, without limitation, property dedicated to the public, if the Board determines that such maintenance is necessary or desirable to maintain the Community-Wide Standard.

6.2. Owner's Responsibility. Each Owner shall maintain his or her own Unit and structures, parking areas, and other improvements comprising the Unit in a manner consistent with the Community-Wide Standard, and all applicable covenants, unless such maintenance responsibility is otherwise assumed by or assigned to a Neighborhood Association pursuant to any additional declaration of covenants applicable to such Unit. If any Owner fails to perform his or her maintenance responsibility, the Association may perform it and assess all costs incurred by the
Association against the Unit and the Owner thereof in accordance with the further provisions of this Declaration; provided, however, except when entry is required due to an emergency situation, the Association shall afford the Owner reasonable notice and an opportunity to cure the problem prior to entry.

A. Where appropriate and upon resolution of the Board, a Neighborhood shall be responsible for paying, through Neighborhood Assessments, the costs of maintenance of certain Common Areas within or adjacent to such Neighborhood, which may include, without limitation, the costs of maintenance of any right-of-way and landscaped area between the Neighborhood and adjacent public roads, private streets within a Neighborhood, if any, and lakes within a Neighborhood, regardless of ownership and regardless of the fact that such maintenance may be performed by the Association.

B. In the event that a Neighborhood Association has the responsibility for maintenance of all or a portion of the property within such Neighborhood pursuant to separate declaration of covenants, the Neighborhood Association shall perform such maintenance in a manner consistent with the Community-Wide Standard. If any Neighborhood Association fails to perform its maintenance duties as required herein, the Association may perform it and assess the costs against all Units within such Neighborhood Association as provided herein.

ARTICLE VII

EASEMENTS

7.1. Easements for Owners. The Developer hereby grants a perpetual non-exclusive easement to the Association and to the Unit Owners, their families, guests, invitees, licensees and lessees upon, over, and across the bicycle/pedestrian paths, sidewalks, walkways, rights-of-way and other Common Areas. The Developer hereby grants an additional perpetual non-exclusive easement to the Association over, across, through, and under all portions of Island Walk for the purpose of performing the maintenance and repair requirements of the Association as described in this Declaration. Except in the event of an emergency, the Association, its assigns or representatives may enter upon an Unit Owner's property only after reasonable notice has been given to the Owner.

7.2. Easements for Utilities.

A. There are hereby reserved to the Developer, so long as the Developer owns any property described in Exhibit "A", the Association, and their respective assignees and designees, access and maintenance easements upon, over, across, and under all of the Properties to the extent reasonably necessary for the purpose of replacing, repairing, maintaining Roads, bicycle/pedestrian
paths, walkways, sidewalks, lakes, wetlands, drainage systems, street lights, identification signage, and all utilities, including, without limitation, water, irrigation, sewer, electricity, telephone, cable tv, or communication lines and systems, and for the purpose of installing any of the foregoing on property which the Developer or the Association owns or within easements designated for such purposes on recorded plats of the Properties. This easement shall not entitle the holders to construct or install any of the foregoing systems, facilities, or utilities over, under, or through any existing Unit, and any damage to a Unit resulting from the exercise of this easement shall promptly be repaired by, and at the expense of, the Person exercising the easement. The exercise of this easement shall not unreasonably interfere with the use of any Unit, and, except in an emergency, entry onto any Unit shall be made only after reasonable notice to the Owner or occupant.

B. The Developer hereby also grants a perpetual non-exclusive easement to all utility or service companies servicing Island Walk upon, over, across, through, and under the Common Areas and such other portions of the Property on which utility facilities may be located for ingress, egress, installation, replacement, repair, and maintenance of all utility and service lines and systems including, but not limited to water, irrigation, sewer, telephone, electricity, cable tv, or communication lines and systems. It shall be expressly permissible for the providing utility or service company to install and maintain facilities and equipment on said property, to excavate for such purposes and to affix and maintain wires, facilities, circuits, and conduits on, in, and under the Common Areas, providing such company restores any disturbed area substantially to the condition existing prior to their activity; provided, however, that no utility service line or system may be installed or relocated within the Common Areas without the consent of the Association.

7.3. Easements for Encroachments. The Developer hereby grants an easement for encroachment in the event any improvements upon the Common Areas now or hereafter encroaches upon an Unit, or in the event that any Unit now or hereafter encroaches upon the Common Area or on another Unit, as a result of minor inaccuracies in survey, construction, reconstruction, or due to settlement or movement or otherwise to a distance of: (a) if the encroachment is on the Common Area, then, not more than three feet, as measured from any point on the common boundary along a line perpendicular to such boundary; (b) if the encroachment on another Unit is a driveway constructed by the Developer, then not more than two feet, as measured from any point on the common boundary of the encroaching driveway and the other Unit along a line perpendicular to such boundary. The encroaching improvements shall remain undisturbed as long as the encroachment exists. This easement for encroachment shall also include an easement for the maintenance and use of the encroaching improvements. Provided, however, that at no time shall there be any encroachment onto the surface water management systems, without the written consent of the South Florida Water Management District. In no event shall an easement for encroachment exist if such encroachment occurred due to willful and knowing conduct on the part of, or with the knowledge and consent of, an Owner, occupant or the Association.

7.4. Easements to Serve Other Property. The Developer hereby reserves for itself, and its duly authorized agents, representatives, employees, successors, assigns, licensees, and
mortgagees, an easement over the Common Area for the purposes of enjoyment, use, access, and development of other property owned by the Developer, its successors and assigns, whether or not such other property is made subject to this Declaration. This easement includes, but is not limited to, a right of ingress and egress over the Common Area for the development of such property, the construction of roads, the construction of drainage facilities, and for connecting and installing utilities on such property. Developer further agrees that if the easement is exercised for any permanent use or access to such property, and such property or any portion thereof is not made subject to this Declaration, the Developer, its successors or assigns shall enter into a reasonable agreement with the Association to share the cost of maintenance of any access roadway or drainage facility owned by the Association and serving such property.

7.5. Easements for Drainage. Every Unit and the Common Area shall be burdened with easements for natural drainage of storm water runoff from other portions of the Properties, or from other property owned by the Developer; provided, however, no Person may alter the natural drainage on any Unit so as to materially increase the drainage of storm water onto adjacent portions of the Properties without the consent of the Owner of the affected property.

7.6. Right of Entry. The Association shall have the right, but not the obligation to enter upon any Unit for emergency, security, and safety reasons, to perform maintenance pursuant to this Declaration, and to inspect for the purpose of ensuring compliance with this Declaration, any Subsequent Amendment, By-Laws, and the Rules and Regulations, which right may be exercised by any member of the Board its officers, agents, employees, and managers, and all policemen, firemen, emergency medical personnel, and similar emergency personnel in the performance of their duties. Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner. This right of entry shall include the right of the Association to enter upon any Unit to cure any condition which may increase the possibility of a fire or other hazard in the event an Owner fails or refuses to cure the condition within a reasonable time after a written request of the Board, but shall not authorize entry into any single family detached dwelling without permission of the Owner, except by emergency personnel acting in their official capacities.

ARTICLE VIII

ASSESSMENTS

8.1. Creation of Assessments. There are hereby created Assessments for Common Expenses as may from time to time specifically be authorized by the Board to be commenced at the time and in the manner set forth in this Article. There shall be three (3) types of Assessments: (a) Base Assessments to fund expenses for the benefit of all Members of the Association; (b) Neighborhood Assessments for expenses benefiting only Units within a particular Neighborhood; and (c) Special Assessments as described in paragraph 8.3. below.

A. Base Assessments shall be levied equally on all Units. Neighborhood
Assessments shall be levied equally on all Units within the Neighborhood for whose benefit Common Expenses are incurred which benefit less than the Association as a whole. Special Assessments shall be levied as provided in paragraph 8.3. below. Each Owner, by acceptance of his or her deed is deemed to covenant and agree to pay these Assessments.

B. The Association shall, upon demand at any time, furnish to any Owner liable for any type of Assessment a certificate in writing signed by an officer of the Association setting forth whether such Assessment has been paid as to any particular Unit. Such certificate shall be conclusive evidence of payment to the Association of such Assessment therein stated to have been paid. The Association may require the advance payment of a processing fee not to exceed Fifty ($50.00) Dollars for the issuance of such certificate.

C. Assessments shall be paid in such manner and on such dates as may be fixed by the Board of Directors which may include, without limitation, acceleration of the annual Base Assessment for delinquent Members. Unless the Board otherwise provides, the Base Assessments shall be payable not less frequently than quarter-annually in advance. Base Assessments shall be billed on the fifteenth day of December, March, June, and September of each year for Assessments due and payable on the first day of January, April, July, and October, respectively of each year. Quarterly Assessments not paid within thirty (30) days of their respective due dates will incur a late charge not to exceed Thirty ($30.00) Dollars. Quarterly Assessments not paid within sixty (60) days of their respective due dates will incur a second late charge not to exceed Fifty ($50.00) Dollars. Quarterly Assessments not paid within ninety (90) days of their respective due dates will incur a third late charge not to exceed Seventy ($70.00) Dollars.

D. No Owner may waive or otherwise exempt himself from liability for the Assessments provided for herein, including, by way of illustration and not limitation, by non-use of Common Areas or abandonment of the Unit. The obligation to pay Assessments is a separate and independent covenant on the part of each Owner. No diminution of abatement of Assessment or set-off shall be claimed or allowed by reason of any alleged failure of the Association or Board to take some action or perform some function required to be taken or performed by the Association or Board under this Declaration or the By-Laws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken to comply with any law, ordinance, or with any order or directive of the County or other governmental authority.

E. So long as the Developer has the right unilaterally to subject additional property to this Declaration, then on all Units on which Assessments have commenced, and which are subject to this Declaration as of the first day of any fiscal year, the Developer shall be obligated for the difference between the amount of Assessments levied on such Units, and the amount of actual expenditures required to operate the Association until the Transfer Date. This obligation may be satisfied in the form of a cash subsidy or by "in kind" contributions of services or materials, or a combination of these. The Association is specifically authorized to enter into subsidy contracts or
contracts for "in kind" contribution of services or materials or a combination of services and materials with the Developer or other entities for the payment of some portion of the common expenses.

8.2. **Computation of Assessments.** It shall be the duty of the Board, at least sixty (60) days before the beginning of the fiscal year, to prepare a budget covering the estimated costs of operating the Association during the coming year. The budget shall include and shall separately list Common Expenses and Neighborhood expenses, if any. The Board shall cause a copy of the budget and the amount of assessments to be levied against each Unit for the following year to be delivered to each Owner at least thirty (30) days prior to the end of the current fiscal year. The budget and the assessment shall become effective unless disapproved at a meeting of the Voting Members by a vote of Voting Members or their alternates representing at least a majority of the total Class "A" vote in the Association and the vote of the Class "B" Member, if such exists. There shall be no obligation to call a meeting for the purpose of considering the budget except on petition of the Voting Members as provided for special meetings in the By-Laws.

Notwithstanding the foregoing, however, in the event the proposed budget is disapproved or the Board fails for any reason so to determine the budget for any year, then and until such time as a budget shall have been determined as provided herein, the budget in effect for the immediately preceding year shall continue for the current year.

The budget may include, without limitation, the following listed line items:

A. **All expenses necessary to meet the Association’s responsibility to maintain the Common Areas in accordance with the requirements of this Declaration.** Including, by way of illustration and not as limitation, such Common Area expenses as: maintenance of the surface water management system, irrigating, grass cutting, trimming, fertilizing, pest control, and the like, in a manner consistent with the Community-Wide Standard.

B. **All charges levied for utility services to the Common Areas, whether supplied by a private or public firm including, without limitation, all charges for water, electricity, telephone, sewer, cable tv, and any other type of utility or service charge.** Notwithstanding any provision to the contrary in this Declaration or in the By-Laws of the Association, bulk rate charges for cable television service to Unit Owners may be assessed as Association Expenses, if the Association becomes a party to a single billing service for cable television services provided to all of the Owners.”

C. **The premiums on any policy or policies of insurance required under this Declaration, together with the costs of such other policies of insurance, as the Board, with the consent of the Unit Owners at any meeting thereof, shall determine to be in the best interest of the Association.** As well as all expenses necessary to retain and continue to retain a lending institution in the County, having a trust department to act as "Insurance Trustee". The functions of the
Insurance Trustee shall include holding all original policies purchased by the Association, being named as loss payee, distributing proceeds of such insurance, assisting in the reconstruction of improvements from insurance premiums and performing such other functions as shall be agreed upon.

D. The costs of administration for the Association, including any secretaries, bookkeepers and other employees necessary to carry out the obligations and covenants of the Association under the Declaration, including the collection of sums owed by a particular Lot. In addition, the Association may retain a managing company or contractors to assist in the operation of the Association and to perform or assist in the performance of certain obligations of the Association hereunder. The fees or costs of any management company or contractor so retained shall be deemed to be part of the Association's expense.

E. All taxes levied or assessed upon the Common Areas, by any and all taxing authorities, including all taxes, charges and assessments, imposition and liens for public improvements, special charges and assessments; and, in general, all taxes on personal property and improvements which are now and which hereinafter may be placed in the Common Area, including any interest penalties and other charges which may accrue on such taxes.

F. The costs to the Association to indemnify and save harmless Developer from and against any and all claims, suits, actions, damages and/or causes of action arising from any personal injury, loss of life and/or damage to property in or about the Common Areas, if any, from and against all costs, counsel fees, expenses, liabilities occurring in and about such claim, the investigation thereof, or the defense at any level of any action or proceeding brought which may enter therein. Included in the foregoing provisions for indemnification are any expenses the Developer may be compelled to incur and bring suit for the purposes of enforcing rights thereunder, or for the purpose of compelling this specific enforcement of the provisions, conditions, covenants, conditions and restrictions, contained in the Declaration to be kept and performed by the Association and/or the owners, including the payment of Association expenses.

Included also is the cost to the Association to indemnify its officers and members of the Board for all costs and expenses whatsoever incurred in pursuance of their duties, obligations and functions hereunder. Nothing in the provisions of this subparagraph shall require any Institutional Mortgagee to pay the Association expenses or portion thereof attributable to costs of the Association to indemnify and save harmless Developer in accordance with such paragraph. Any such Association expense shall be reallocated amongst the Unit Owners and not the Institutional Mortgagees.

G. The costs to establish an adequate reserve fund for replacement and/or capital refurbishment of the Common Areas and the payment of other common expenses (the "capital contributions") in the amounts determined proper and sufficient by the Board, if any. Each owner acknowledges, understands and consents that capital contributions are the exclusive property of the
Association as a whole, and that no Owner shall have any interest, claim or right to any such capital contributions or funds composed of the same. The Association shall be responsible for maintaining the capital contribution in a separate reserve account and to use such funds only for capital costs and expenses as aforesaid.

8.3. Special Assessments.

A. The Association may levy a Special Assessment or Special Assessments, provided, such Assessment shall have the affirmative vote or written consent of Voting Members or their alternates representing at least fifty-one (51%) percent of the Class "A" vote in the Association, and the affirmative vote or written consent of the Class "B" Member, if such exists. Special Assessments shall be payable in such manner and at such times as determined by the Board, and may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved, if the Board so determines.

B. The Association may levy a Special Assessment to obtain all sums necessary to repair, replace, construct or reconstruct ("repair") any buildings or improvements located in the Common Areas damaged by any casualty to the extent insurance proceeds are insufficient for repair. Any difference between the amount of insurance proceeds received on behalf of the Association with respect to repair and the actual cost of the repair ("repair sums") shall be a Common Expense for which the Association shall levy a Special Assessment against all Unit Owners to obtain the funds necessary to pay for such repair sums within ninety (90) days from the date such damage was incurred. The Association shall establish an account with an Institutional Mortgagee located in the County, and deposit into such account all repair sums and all insurance proceeds collected by the "Insurance Trustee" so that the amounts on deposit will equal the costs of repair. The Association shall proceed so that repairs shall be completed within one (1) year from the date of damage, if possible.

C. The Association may also levy a Special Assessment against any Member to reimburse the Association for costs incurred in bringing a Member and his Unit into compliance with the provisions of the Declaration, any amendments thereto, the Articles, By-Laws, and the Rules and Regulations, which Special Assessment may be levied upon the vote of the Board after notice to the Member and an opportunity for a hearing.

D. The Association may also levy a Special Assessment against the Units in the Neighborhood to reimburse the Association for costs incurred in bringing the Neighborhood into compliance with the provisions of the Declaration, any amendments thereto, the Articles, the By-Laws, and the Rules and Regulations, which Special Assessment may be levied upon the vote of the Board after notice to the Neighborhood Association or Committee and an opportunity for a hearing.

8.4. Date of Commencement of Base Assessments. The Base Assessments provided for herein shall commence as to each Unit at the time that a certificate of occupancy is issued for the
Unit by the appropriate governmental authority. Assessments shall be due and payable in a manner and on a schedule as the Board of Directors may provide. The first Base Assessment shall be adjusted according to the number of days remaining in the fiscal year at the time Assessments commence on a Unit.

8.5. **Subordination of the Lien to First Mortgagees.** The lien of Assessments, including interest, late charges, and costs (including attorney's fees) provided for herein, shall be subordinate to the lien of any first Mortgage upon any Unit as provided in this Declaration. The sale or transfer of any Unit shall not affect the Assessment lien. However, the sale or transfer of any Unit pursuant to judicial or nonjudicial foreclosure of a first Mortgage shall extinguish the lien of such Assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Unit from lien rights for any Assessments thereafter becoming due. Where the Mortgagee holding a first Mortgage of record or other purchaser of a Unit obtains title pursuant to remedies under the Mortgage, its successors and assigns shall not be liable for the share of the Common Expenses or Assessments by the Association chargeable to such Unit which became due prior to the acquisition of title to such Unit by such acquirer. Such unpaid share of Common Expenses or assessments shall be deemed to be Common Expenses collectible from Owners of all the Units, including such acquirer, its successors and assigns.

8.6. **Exempt Property.** Notwithstanding anything to the contrary herein, the following property shall be exempt from the payment of Base Assessments, Neighborhood Assessments, and Special Assessments:

A. all Common Areas; and

B. all property dedicated to and accepted by any governmental authority or public utility.

**ARTICLE IX**

**ESTABLISHMENT AND ENFORCEMENT OF LIENS**

9.1. **Lien for Assessments.** All Assessments authorized in this Declaration, together with interest at a rate not to exceed the highest rate allowed by Florida law as computed from the date the delinquency first occurs, late charges, costs of collection, and reasonable attorney's fees, shall be a charge on the land, and shall be a continuing lien upon the Unit against which each Assessment is made. Each such Assessment, together with interest, late charges, costs of collection, and reasonable attorney's fees, shall also be the personal obligation of the Person who was the Owner of such Unit at the time the Assessment arose, and his or her grantee shall be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance, except no first Mortgagee who obtains title to a Unit pursuant to the remedies provided in the Mortgage shall be liable for unpaid Assessments which accrued prior to such acquisition of title. Under no circumstances shall the
Board suspend the voting rights of a Member for nonpayment of any Assessment.

9.2. **Effective Date of Lien.** Said lien shall be effective only from and after the time of recording amongst the Public Records of the County, of a written, acknowledged statement by the Association setting forth the amount due to the Association as of the date the statement is signed. Upon recording, there shall exist a perfected lien for unpaid Assessments prior and superior to all other liens, except (1) all taxes, bonds, assessments, and other levies which by law would be superior thereto, and (2) the lien or charge of any first Mortgage of record (meaning any recorded Mortgage with first priority over other Mortgages) made in good faith and for value. Upon full payment of all sums secured by that lien and costs and fees accrued, the party making payment shall be entitled to a recordable Satisfaction of Lien.

9.3. **Rights of First Mortgagees.** When any first Mortgagee obtains title to a Unit as a result of a foreclosure of Mortgage, or deed (or assignment) is given in lieu of foreclosure, such acquirer of title, his successors and assigns, shall not be liable for the Assessments pertaining to such Unit or chargeable to the former owner which became due prior to the acquisition of title as a result of the foreclosure or deed (or assignment) in lieu of foreclosure, unless such Assessments are secured by a Claim of Lien, and recorded prior to the recordation of the Mortgage. Such unpaid Assessments for which a Claim of Lien has not been recorded prior to the recording of the foreclosed Mortgage or deed given in lieu of foreclosure shall be deemed to be Assessments collectable from all Units.

9.4. **Remedies.** In the event any Owner shall fail to pay his or her Assessments within (15) days after the same becomes due, the Association, through its Board, shall have all of the following remedies to the extent permitted by law.

A. To accelerate the entire amount of any Assessments for the remainder of the year notwithstanding any provisions for the payment thereof in installments.

B. To advance on behalf of the Owner funds to accomplish the needs of the Association and the amount or amounts of money so advanced, including reasonable attorneys' fees and expenses which might have been reasonably incurred because of, or in connection with such advances, including costs and expenses of the Association if it must borrow to pay expenses because of said Owner, together with interest at the highest rate allowable by law, may thereupon be collected or enforced by the Association and such advance or loan by the Association shall not waive the default.

C. To file an action in equity to foreclose its lien at any time after the effective date thereof. The lien may be foreclosed by an action in the name of the Association in a like manner as the foreclosure of a mortgage on real property.

D. To file an action at law to collect said Assessments, plus interest at the highest rate allowable by law plus costs and attorneys' fees, without waiving any lien rights or rights of
foreclosure by the Association.

9.5. **Rights upon Foreclosure.** The Association, acting on behalf of the Owners, shall have the power to bid for the Unit at foreclosure sale and to acquire and hold, lease, mortgage, and convey the same. During the period in which the Unit is owned by the Association following foreclosure: (a) no right to vote shall be exercised on its behalf; (b) no Assessment shall be assessed or levied on it; and (c) each other Unit shall be charged, in addition to its usual Assessment, its equal pro rata share of the Assessment that would have been charged such Unit had it not been acquired by the Association as a result of foreclosure. Suit to recover a money judgment for unpaid Common Expenses and attorney's fees shall be maintainable without foreclosing or waiving the lien securing the same.

**ARTICLE X**

**INSURANCE**

10.1. **Common Area Insurance.** The Association shall maintain a policy or policies to insure the Common Area improvements and personal property from casualty losses, and shall be in such amounts so that the insured will not be a co-insurer except under deductible clauses required to obtain coverages at a reasonable cost.

A. The coverages for casualty losses will **EXCLUDE** the following:

   (i) Land, foundations, excavations or other items that are usually excluded from insurance coverage; and

   (ii) Any floor, wall, and ceiling coverings.

B. The coverage for casualty losses will **INCLUDE**, where applicable, the following:

   (i) Loss or damage by fire or other hazards covered by a standard extended coverage endorsement;

   (ii) All other perils customarily covered for similar types of projects, including those covered by the standard "all risk" endorsement;

   (iii) Agreed Amount and Inflation Guard Endorsement, when it can be obtained;

   (iv) Demolition Cost Endorsements, Contingent Liability from Operation of Building Laws Endorsement, and Increased Cost of Construction Endorsement;
(v) Steam Boiler Endorsement, if applicable, providing at least $50,000.00 coverage for each accident at each location; and

(vi) A standard mortgagee clause naming, when appropriate, the Federal National Mortgage Association (FNMA) or the servicers for mortgages held by FNMA, their successors and assigns.

C. When appropriate and possible, the policies shall waive the insurer's right to:

(i) Subrogation against the Association and against the Owners, individually and as a group;

(ii) The prorata clause that reserves to the insurer the right to pay only a fraction of any loss if other insurance carriers have issued coverage upon the same risk; and

(iii) Avoid liability for a loss that is caused by an act of the Board, or by a member of the Board or by one or more Owners.

D. In addition, the policy shall provide that:

(i) Any Insurance Trust Agreement will be recognized;

(ii) The policy shall be primary, even if an Owner has other insurance that covers the same loss; and

(iii) The named insured shall be the Association for the use and benefit of the Unit Owners. The "loss payable" clause should show said Association or the designated insurance trustee as the trustee for each Owner and each Owner's mortgagee.

10.2. Unit Insurance. Each Unit Owner shall maintain a policy or policies to insure his or her Unit from all casualty losses. If a Unit is damaged by a casualty, the affected Unit Owner shall promptly have his Unit repaired and rebuilt substantially in accordance with the architectural plans and specifications of the Unit.

10.3. Reconstruction and Repair after Casualty.

A. Under ordinary circumstances, Common Area improvements which are damaged by casualty shall be reconstructed and repaired. If a dispute arises as to whether a Common Area improvement should be repaired or reconstructed, the Board, with approval of the oldest unsatisfied Institutional Mortgagee having an effective lien thereon, shall make the determination to repair or reconstruct. The Owners shall be bound by this determination. The Association shall have the right to specially assess all members of the Association if insurance proceeds are
insufficient to repair or rebuild the affected Common Areas in accordance with this paragraph. The levy of any Special Assessment authorized pursuant to this paragraph shall be made in accordance with the Assessment powers and lien rights of the Association for Common Expenses.

B. Although it is impossible to anticipate all problems which may arise from a casualty, the intent is to try to assure that the Community-Wide Standard is maintained by requiring damaged Association property to be rebuilt or repaired and that unsightly and dangerous conditions are remedied as soon as possible. Any reconstruction and repair must be substantially in accordance with the plans and specifications for such property as originally constructed, and in any event, according to plans and specifications approved by the Board.

10.4. Public Liability Coverage. The Association shall obtain comprehensive general liability coverage insuring the Association against any and all claims and demands made by any Person for injuries received in connection with the operation and maintenance of the Common Areas and improvements located thereon, or for any other risk insured against by such policies which the Association, in its sole discretion, determines to insure against. Each policy purchased by the Association shall have limits of not less than $1,000,000.00 covering all claims for personal injury and property damage arising out of a single occurrence. The liability coverage shall include protection against liability for non-owned and hired automobiles, and liability of hazards related to usage. In addition, the coverage shall include protection against liability that results from actions related to employment contracts in which the Association is a party. All such policies will name the Association (and the Developer until the Transfer Date), as their respective interests may appear, as insured parties under such policy or policies. The original of each policy shall be held by the Board or in the office of the Insurance Trustee.

10.5. Fidelity Bond Coverage. The Association shall obtain Fidelity Bonds (or insurance) covering officers, directors, employees and other persons who handle or are responsible for handling Association funds. The Fidelity Bonds (or insurance) shall meet the following requirements.

A. All such fidelity insurance or bonds shall name the Association as an obligee; and

B. Such fidelity insurance or bonds shall be written in the amount equal to at least 150% of three months operating expenses of the Association, and the amount in reserve as of the end of each fiscal year of the Association; and

C. Such fidelity insurance or bonds shall contain waivers of any defense based upon the exclusion of persons who serve without compensation from any definition of "employee" or a similar expression; and

D. Such insurance or bonds shall provide that they may not be canceled or substantially modified (including cancellation for nonpayment of premiums) without at least thirty
(30) days prior written notice of the servicer or the insured.

10.6. **Flood Insurance.** If any part of the Common Areas are in a special flood hazard area, and are insurable as defined by the Federal Emergency Management Agency, the Association shall insure same. The coverage shall be 100% of the current replacement cost of any Common Area improvements or structures and other insurable common property, or the maximum coverage available for such improvements, structures, or property under the National Flood Insurance Program.

10.7. **Insurer.** All insurance shall be issued by a company authorized to do business in the State of Florida.

10.8. **Named Insured.** For all policies obtained by the Association, the named insured shall be the Association individually and as trustee for Owners covered by the policy without naming them, and shall include Institutional Mortgagees who hold Mortgages upon Units covered by the policy whether or not the Institutional Mortgagees are named. The Board may authorize the Insurance Trustee to maintain the policies and receive any proceeds of such policies.

10.9. **Premiums.** Premiums on policies purchased by the Association shall be paid as an Common Expense. However, if the amount of a premium is increased because a Unit or its appurtenances is misused or abandoned, then the Owner of such Unit is liable for the amount of such increase. The Association will furnish evidence of premium payment to each Institutional Mortgagee upon request.

10.10. **Insurance Proceeds.** All insurance policies purchased by the Association shall be for the benefit of the Association and the Unit Owners and their Mortgagees as their interests may appear, and shall provide that all proceeds covering property losses shall be paid to the Association as trustee, or to such institution in Florida with trust powers as may be designated as Insurance Trustee by the Board. The Trustee shall hold the proceeds for the benefit of the Unit Owners and their mortgagees in the following shares:

A. An undivided share for each Unit Owner, that share being the same as such Owner’s undivided share in the Common Expenses.

B. If a mortgagee endorsement of an insurance policy has been issued as to a Unit, the share of the Owner shall be held in trust for the Mortgagee and such Owner, as their interests may appear; however, that no Mortgagee shall have any right to determine or participate in the determination as to whether or not any such Unit shall be reconstructed or repaired, and unless provided by the terms of the Mortgage, no Mortgagee shall have any right to apply or have applied to the reduction of a mortgage debt any insurance proceeds except distribution of proceeds made to the Owner and the Mortgagee.
10.11. **First Mortgages.** This Article is additionally for the benefit of first Mortgagees of Units and may not be amended without the consent of all such Mortgagees.

10.12. **Policy Cancellation.** All insurance policies purchased by the Association shall require the insurer to notify in writing the Association or the designated Insurance Trustee, if any, and each first Mortgagee named in any Mortgage clause at least 10 days before it cancels or substantially changes the coverage.

10.13. **Association as Agent.** The Association is irrevocably appointed agent for each Unit Owner and for each Mortgagee or other lienor of a Unit, and for each owner of any other interest in the property, to adjust all claims arising under insurance policies purchased by the Association and to execute and deliver releases upon the payment of claims.

10.14. **Multi-family Units.** The Association may maintain physical damage coverage for multiple family units or condominiums, if any. The cost of maintaining said coverage may be charged to such multiple family or condominium Unit Owners in the form of a Neighborhood Assessment or Special Assessment levied upon the Owner of such Units pursuant to the Assessment powers and lien rights set forth in this Declaration.

**ARTICLE XI**

**ARCHITECTURAL CONTROL**

11.1. **Architectural Control Committee.** The Architectural Control Committee ("ACC") shall consist of three (3) or more persons appointed by the Board. The function of the ACC is to ensure that all architectural changes are in compliance with the requirements set forth below. The Board shall have the authority and standing, on behalf of the Association, to enforce in courts of competent jurisdiction the decisions of the ACC. This Article may not be amended without the Developer's written consent so long as the Developer owns any property subject to this Declaration or subject to annexation to this Declaration.

11.2. **Community-Wide Standard.** The ACC shall regulate any construction, the external appearance, and property improvements in such a manner as to comply with and meet the Community-Wide Standard, to best preserve and enhance values and to maintain a harmonious relationship among structures and the natural vegetation and topography. As regards the Developer, its successors and assigns, nothing herein shall give to the ACC the authority to regulate, control or determine external appearance, use or maintenance of property to be developed or under development, or dwellings to be constructed or under construction.

11.3. **General Provisions.**

A. The address of the ACC shall be the principal office of the Association as
designated by the Board. Such address shall be the place for the submittal of plans and
specifications and the place where the current architectural standards, if any, shall be kept.

B. The ACC shall establish time limitations for the completion of any
architectural improvements for which approval is required.

C. Plans and specifications are not approved for engineering design, and by
approving such plans and specifications, neither the ACC, the members thereof, the Association, the
Members, the Board, or the Developer assumes liability or responsibility therefor, or for any defect
in any structure constructed from such plans and specifications.

D. An application for architectural change shall be made by the applying Owner
on forms prepared by the ACC. The completed application together with all plans and specifications
as well as any damage deposit fee will be submitted to the ACC. The decision of the ACC will be
returned to the applying Owner.

11.4. Failure to Approve. In the event the ACC fails to approve, modify, or disapprove in
writing an application within thirty (30) days after plans and specifications in writing have been
submitted to it, in accordance with its adopted procedures, if any, approval will be deemed granted.

11.5. Disapproval. In the event plans and specifications submitted to the ACC are
disapproved, the party or parties making such submission may appeal in writing to the Board. The
written request must be received by the Board not more than thirty (30) days following the final
decision of the ACC. The Board shall have forty-five (45) days following receipt of the request for
appeal to render its written decision. The Board may reverse or modify the ACC decision by a
majority vote of the Board. The failure of the Board to render a decision within the forty-five (45)
day period shall be deemed a decision in favor of the appellant.

11.6. Conditions.

A. No construction, which term shall include, without limitation, within its
definition, staking, clearing, excavation, grading, and other site work, and no plantings or removal
of plants, trees, or shrubs shall take place except in strict compliance with this Article, until the
requirements of this Article have been fully met, and until the approval of the ACC has been
obtained.

B. No construction of improvements (including without limitation, pools,
saunas, spas, jacuzzis, screened enclosures, buildings, mailboxes, dog runs, animal pens, or fences),
decorations, attachments, fixtures, alterations, repairs, change of paint or stain color, pressure
cleaning, or other work shall be erected, constructed, affixed, placed, or altered on any Unit until the
proposed plans, specifications, exterior colors and/or finishes, landscaping plan, and plot plan
showing the proposed location of such improvements shall have been approved by the ACC, its
successors or assigns. Refusal of approval of plans, locations, or specifications may be based by the ACC upon any reason, including purely aesthetic conditions, which in the sole discretion of the ACC shall be deemed sufficient. One (1) copy of all plans and specifications shall be furnished to the ACC for its records. No permission or approval shall be required to repaint in accordance with the originally approved color scheme, or to rebuild in accordance with originally approved plans and specifications. Nothing herein shall be construed to limit the right of an Owner to remodel the interior of his Unit, or to paint the interior of his Unit any color desired.

C. No additional plantings shall be permitted on that portion of any Unit, which may be maintained by the Association except as may be approved by the Association.

D. No clothing, laundry, or wash shall be aired or dried on any portion of the Units in an area exposed to view from any other Unit. Drying areas will be permitted only in locations approved by the ACC, and only when protected from view by approved screening or fencing.

E. No television or other outside antenna system or facility shall be erected or maintained on any Unit to which cable television service is then currently available except with the specific consent of the ACC, which consent may be withheld in its sole discretion.

F. Unless specifically excepted by the ACC, all improvements, for which an approval of the ACC is required under this Declaration, shall be completed within twelve (12) months from the date of commencement of said improvements.

G. No construction shall be commenced unless and until a returnable debris deposit of $500.00 has been posted by the Unit Owner with the Association. The debris deposit shall be used to correct any damage to the common areas resulting from the construction activity. If no damage is done to the common areas by the construction activity, the debris deposit will be returned to the Unit Owner.

11.7. Variances. The ACC may authorize variances from compliance with any of the provisions of the current architectural standards, if any, when circumstances such as topography, natural obstructions, hardship, aesthetic, or environmental considerations require, but only in accordance with duly adopted Rules and Regulations. Such variances may only be granted, however, when unique circumstances dictate, and no variance shall be effective unless in writing, unless in compliance with the restrictions set forth in this Declaration, and unless such variance will not estop the Association from denying a variance in other circumstances. For the purposes of this paragraph, the inability to obtain approval of any governmental agency; the issuance of any permit; or the terms of any financing shall not be considered a hardship warranting a variance.
ARTICLE XII

USE RESTRICTIONS

12.1. Residential Uses. The Properties shall be used only for residential, recreational, and related purposes (which may include, without limitation, offices for any property manager retained by the Association or business offices for the Association), and limited portions of the Common Areas may be used in a commercial capacity as may more particularly be set forth in this Declaration, Subsequent Amendments hereto, or subsequently recorded declarations creating Neighborhood Associations subject to this Declaration. The declaration or other creating document for any Neighborhood Association may impose stricter standards than those contained in this Article. The Board shall have standing to enforce such standards.

12.2. Use Restrictions. The Board shall have the authority to make and enforce standards and restrictions governing the use of the Properties, in addition to those contained herein, and to impose reasonable user fees for use of the Recreational Facilities. Such regulations and use restrictions shall be binding upon all Owners and occupants until and unless overruled, canceled, or modified in a regular or special meeting of the Association by Voting Members representing a majority of the Class "A," votes in the Association and by the vote of the Class "B" member, so long as such membership shall exist.

A. Signs. No sign, symbol, name, address, notice, or advertisement shall be inscribed or exposed on or at any window or other part of a Unit or Common Areas without the prior written approval of the Board. The Board or the Developer shall have the right to erect signs as they, in their sole discretion, deem appropriate.

B. Parking and Garages. Vehicles shall be parked only in the garages or in the driveways serving the Units or in the appropriate spaces or designated areas in which parking may be assigned, and then subject to the reasonable rules and regulations adopted by the Board. Vehicles shall not be parked overnight on Roads or swales. All commercial vehicles, recreational vehicles, trailers, campers, camper trailers, boats, watercraft, motorcycles, and boat trailers must be parked entirely within a garage unless otherwise approved by the Board. No garage shall be used as a living area. No garage shall be altered in such a manner that the number of automobiles which may be parked therein after the alteration is less than the number of automobiles that could have reasonably been parked in the garage as originally constructed.

C. Occupants Bound. All provisions of the Homeowners Documents and of any Rules and Regulations or use restrictions promulgated pursuant thereto which govern the conduct of Owners, and which provide for sanctions against Owners, shall also apply to all occupants of any Unit.

D. Animals and Pets. No animals shall be raised, bred, or kept in any Unit,
except that dogs, cats, or other household pets may be kept on the Unit, provided they are not kept, bred or maintained for any commercial purpose, or in numbers deemed unreasonable by the Board. Notwithstanding the foregoing, no animal may be kept in the Unit, which in the judgment of the Board results in a nuisance or is obnoxious to the residents in the vicinity. No Owner shall be permitted to maintain in his or her Unit a bull terrier (pit bull), or any dog or dogs of mean or of violent temperament or otherwise evidencing such temperament. Pets shall not be permitted in any of the Common Areas unless under leash. Each pet owner shall be required to clean up after his or her pet. Each Owner by acquiring an Unit agrees to indemnify the Association, and hold it harmless against any loss or liability resulting from his or her, his or her family member's, or his or her lessee's ownership of a pet. If a dog or any other animal becomes obnoxious to other Unit Owners by barking or otherwise, the Owner shall remedy the problem, or upon written notice from the Association, he or she will be required to dispose of the pet.

E. **Nuisance.** No Unit shall be used, in whole or in part, for the storage of any property or thing that will cause such Unit to appear to be in an unclean or untidy condition or that will be obnoxious to the eye; nor shall any substance, thing, or material be kept in any Unit that will emit a foul or obnoxious odor or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort, or serenity of the occupants of surrounding property or to Island Walk as a whole. No illegal, noxious, or offensive activity shall be carried on in any unit, nor shall anything be done thereon tending to cause a nuisance to any person using any property adjacent to the Unit. There shall not be maintained any plants, animals, devices, or things of any sort whose activities or existence in any way is noxious, dangerous, unsightly, unpleasant, or of a nature as may diminish or destroy the enjoyment of the Properties.

F. **Unsightly Conditions.** All weeds, rubbish, debris, or unsightly materials or objects of any kind shall be regularly removed from the Units, and shall not be allowed to accumulate thereon. All refuse containers (except on scheduled trash pick-up days), all machinery and equipment, and other similar items of personal property shall be obscured from view of adjoining streets, Units or Common Areas. All Units shall be kept in a clean and sanitary condition and no rubbish, refuse, or garbage shall be allowed to accumulate, or any fire hazard allowed to exist. In the event an Owner fails to maintain his Unit as required, for a period of at least thirty (30) days, the Association shall have the right, exercisable in its discretion, to clear any rubbish, refuse, or unsightly debris and/or growths from any Unit deemed by the Association to be a health menace, fire hazard or a distraction from the aesthetic appearance of Island Walk; provided, however, that at least fifteen (15) days prior notice shall be given by the Association to the Owner of such Unit before such work is done by the Association. In the event the Association, after such notice, causes the subject work to be done, then, and in that event, the costs of such work, together with interest thereon at the maximum rate permitted by the usury laws of the State of Florida, shall be charged to the Owner and shall become a lien on the Unit, which lien shall be effective, have priority and be enforced pursuant to the procedures set forth in this Declaration.

G. **Antennas.** No exterior antennas, aerials, satellite dishes, or other apparatus
for the reception or transmission of television, radio, or other signals of any kind shall be placed, allowed, or maintained upon any portion of the Properties, including any Unit, without the prior written approval of the ACC.

H. **Subdivision of Unit.** Units shall not be further subdivided or separated by any Owner, and no portion less than all of any such Unit, nor any easement shall be conveyed or transferred by an Owner; provided, however, that this shall not prevent corrective deeds, deeds to resolve boundary disputes and other similar corrective instruments. Developer, however, hereby expressly reserves the right to subdivide, replat, or otherwise modify the boundary lines of any Unit or Units owned by the Developer. Any such division, boundary line change, or replatting shall not be in violation of the applicable Municipal subdivision and zoning regulations.

I. **Pools.** No above-ground pools shall be erected, constructed, or installed on any Unit.

J. **Irrigation.** No sprinkler or irrigation systems of any type which draw water from lakes, rivers, ponds, canals or other ground or surface waters within the Properties shall be installed, constructed or operated by an Owner within the Properties unless prior written approval from the ACC has been obtained.

K. **Drainage and Septic Systems.** Catch basins and drainage areas are for the purpose of natural flow of water only. No obstructions or debris shall be placed in these areas. No Person, other than the Developer, or the South Florida Water Management District, may obstruct or re-channel the drainage flows after location and installation of drainage swales, storm sewers, or storm drains. Developer hereby reserves a perpetual easement across the properties for the purpose of altering drainage and water flow. Septic systems are prohibited on the Properties.

L. **Tree Removal.** No trees shall be removed, except for diseased or dead trees and trees needing to be removed to promote the growth of other trees or for safety reasons, unless approved by the ACC.

M. **Sight Distance.** All property located at street intersections shall be landscaped so as to permit safe sight across street corners. No fence, wall, hedge, shrub, or planting shall be placed or permitted to remain where it would create a traffic or sight problem.

N. **Lighting.** Except for seasonal decorative lights, which may be displayed between December 1 and January 10 only, all exterior lights must be approved by the ACC.

O. **Artificial Vegetation, Exterior Sculpture, and Similar Items.** No artificial vegetation shall be permitted on the exterior of any portion of the Properties. Exterior sculpture, fountains, flags, and similar items must be approved by the ACC.
P. **Energy Conservation Equipment.** All solar heating apparatus must conform to the standards set forth in the HUD Intermediate Minimum Property Standards Supplement, Solar Heating, and domestic Water Systems. No solar energy collector panels or attendant hardware or other energy conservation equipment shall be constructed or installed unless it is an integral and harmonious part of the architectural design of a structure, as reasonably determined by the ACC. No solar panel, vents, or other roof-mounted, mechanical equipment shall project more than 1.5 feet above the surface of the roof of a Unit; and all such equipment shall be painted consistent with the color scheme of the roof of the Unit. This provision is not intended to prohibit the use of solar energy devices.

Q. **Lakes and Water Bodies.** All lakes, canals, and water bodies within the Properties shall be primarily aesthetic amenities and all other uses thereof, including, without limitation, fishing, boating, swimming, playing, or use of personal flotation devices, shall be subject to the Rules and Regulations of the Board. The Association shall not be responsible for any loss, damage, or injury to any person or property arising out of the authorized or unauthorized use of lakes, canals, or water bodies within the Properties.

R. **Recreational Facilities.** All recreational facilities and playgrounds furnished by the Association or erected within the Properties, if any, shall be used at the risk of the user, and the Association shall not be held liable to any person or persons for any claim, damage, or injury occurring thereon or related to use thereof.

S. **Business Use.** The Units shall be used solely for Single Family purposes. Nothing herein shall be deemed to prevent an Owner from leasing a home to a Single Family, subject to all of the terms, conditions, and covenants contained in this Declaration. The Units shall not be used in any trade, business, professional, or commercial capacity. Nothing contained herein shall prohibit the Developer from carrying on any and all types of construction activity necessary to complete Island Walk, including the construction and operation of a sales model and office by the Developer until all of the Units have been sold.

T. **Windows.** All draperies, curtains, shades, or other window coverings installed in a Unit, and which are visible from the exterior of a Unit shall have a white backing, unless otherwise approved by the ACC.

U. **Vehicles.** No motorcycle, truck, trailer, boat, van in excess of 17 feet in length, camper, motor home, bus, commercial vehicle of any type (i.e., any vehicle which has any exterior lettering or logo, or has tools or equipment), non-passenger van (i.e. any van which does not have a rear seat and side windows), or similar vehicle shall be parked on any part of the Properties, any driveway, or designated parking space within the Properties except: (1) within a garage, (2) commercial vehicles, vans, or trucks delivering goods or furnishing services temporarily during daylight hours, and (3) upon such portions of the Properties as the Board may jointly, in their discretion, allow. Vehicles over eighty (80”) inches in height, or those vans or trucks which do not
have windows completely circling the vehicle’s exterior (similar to windows around a station wagon), and permanent installed seating for four or more passengers, shall be considered to be a prohibited vehicle, van, or truck. The Association shall have the right to authorize the towing away of any vehicles in violation of this rule with the costs and fees, including attorney’s fees, if any, to be borne by the vehicle owner or violator.

V. Hurricane Season. Each Unit Owner who intends to be absent from his home during the hurricane season (June 1 - November 30 of each year) shall prepare his Unit prior to his departure by doing the following:

(i) Removing all furniture, potted plants, and other movable objects from his yard; and

(ii) Designating a responsible person or firm, satisfactory to the Association, to care for his Unit should it suffer hurricane damage. Such person or firm shall also contact the Association for permission to install temporary hurricane shutters, which must be removed when no longer necessary for storm protection. At no time shall hurricane shutters be permanently installed, without the consent of the ACC.

W. Golf Carts. All golf carts leased, owned, or otherwise used by Owners may be parked, placed, or stored only in the Unit garages. No golf cart shall be placed, parked, or stored on the lawn of any Unit or on any portion of the Common Areas, unless such area is specifically designated as a golf cart parking area by the Board. No golf cart shall be driven outside the entrance area or boundaries of Island Walk. Owners of golf carts, by operating same within Island Walk shall be presumed to have released the Developer and the Association of all liability arising from an Owner's use of his golf cart. Each year, the Owners of golf carts shall provide the Association with proof of liability insurance in connection with the operation of their golf carts, and such insurance shall have such limits as shall be approved by the Association in its sole discretion. Each such insurance policy shall name the Association as an additional insured, and shall provide the Association with thirty (30) days notice prior to it cancellation. An Owner who uses a golf cart shall be held fully responsible for any and all damages resulting from the misuse of a golf cart caused by the Owner, his family members, guests, licensees, invitees, employees, or agents, and the Owner shall reimburse the Association for any and all damages the Association may sustain by reason of such misuse. Such damages shall be collectible as a Special Assessment pursuant to the procedures for such assessments set forth herein.

X. Rules and Regulations. The Unit Owners shall abide by each and every Rule and Regulation promulgated from time to time by the Board. The Board shall give an Owner in violation of the Rules and Regulations, written notice of the violation by U.S. Certified Mail, return receipt requested, and fifteen (15) days in which to cure the violation. Should the Association be required to seek enforcement of any provision of this Declaration or the Rules and Regulations and prevail in such action, then the offending Unit Owner (for himself or for his family, guests, invitees.
or lessees) shall be liable to the Association for all costs incurred in the enforcement action, including reasonable attorneys' fees, whether incurred in trial or appellate proceedings or otherwise.

ARTICLE XIII

COVENANTS REGARDING ZERO-LOT-LINE SINGLE FAMILY HOMES

Without limiting the types of units which may be developed within Island Walk, the Developer may construct zero-lot-line single family homes. The restrictions, covenants, and provisions set forth herein shall apply to such homes, and may be modified, deleted, or supplemented by Subsequent Amendment.

13.1. Maintenance of Exterior of Home. Each Owner shall maintain the exterior of his single family home, including the walls (excluding the "Lot Perimeter Wall" as defined herein) and fences in good condition and repair. The Lot Perimeter Wall shall be defined to mean and refer to that exterior wall of a zero-lot-line single family home which is located not more than five (5) feet from the lot line or boundary. Notwithstanding the foregoing, the Association shall be responsible for the normal and routine painting of the exterior walls of such homes. The Board shall determine the need for painting from time to time. All costs reasonably related to said painting by the Association shall be incurred as a Common Expense.

13.2. Maintenance of Rear Yard. Each Owner shall maintain his own lawn, landscaping, and the sprinkler system located in the rear yard of his lot, which shall include all portions of the lot behind and including the vertical plane of the gated wall or fence between a zero-lot-line single family home and an adjacent Lot Perimeter Wall. The Association shall maintain the lawn, landscaping, and the sprinkler system located in the front yard (street side) of each Lot.

13.2.1. Zero Line Easement. Each lot on which a zero-lot-line single family home is constructed is subject to an easement of approximately five (5) feet in width which extends from the front of the home (street side) to the rear of the lot ("Zero Line Easement"). The Zero Line Easement is in favor of the Owner of the Lot immediately adjacent to the easement. The Zero Line Easement is a result of building code requirements, which disallow a Lot Owner's roof from overhanging property which is not owned in fee by the Lot Owner. Therefore each Lot Owner's roof overhangs a portion of his Lot, which is subject to the Zero Line Easement. Each unit is constructed within a Lot such that one side of the Unit, the side which includes the Lot Perimeter Wall (defined herein), is adjacent to the Zero Line Easement. A sketch of the Zero Line Easement is attached hereto and made a part hereof marked Exhibit "F".

13.2.2. Grantee of Zero Line Easement. The owner of the Lot immediately adjacent to the Zero Line Easement is the grantee of the Zero Line Easement. Subject to the rights of the Association, the grantee is hereby granted the exclusive right to use and maintain real property within the Zero Line Easement. The Owner of the Lot on which the Zero Line Easement is located
shall not be permitted to use or to maintain the real property within the Zero Line Easement (except for roof overhang), however, in the event of damage to his single family home, the Owner of the Lot on which the Zero Line Easement is located may enter upon the real property subject to the Zero Line Easement to perform repairs and replacements to his zero-lot-line single family home.

13.2.3. **Permissible uses of the Zero Line Easement.** The Zero Line Easement area may be used by the grantee for maintenance, landscaping, and irrigation purposes. No landscaping material may be placed in the Zero Line Easement which would contact the Lot Perimeter Wall or the roof of the Unit abutting the Zero Line Easement. No irrigation shall be permitted within the Zero Line Easement which could damage the Lot Perimeter Wall or roof of the Unit abutting the Zero Line Easement.

13.3. **Lot Perimeter Walls.** Maintenance of the Lot Perimeter Wall shall be the obligation of the Owner of the lot adjacent to the Lot Perimeter Wall. The adjacent lot owner shall have an easement over that portion of the adjacent lot on which a Lot Perimeter Wall has been located, as specified herein, in order to maintain and to make superficial repairs to said Lot Perimeter Wall. However, in no event, shall any Person make any structural or other changes in the walls, including, but not limited to, change of paint color, without the express written approval of the Architectural Control Committee. Structural repairs to the Lot Perimeter Wall shall be performed solely by the Association or its assigns. In the event the Board shall determine that the Lot Perimeter Wall has been damaged by the adjacent lot owner, that owner shall be responsible for repairing such damage in a timely manner and in accordance with the standards established by the Board. In the event such repair is not so accomplished by said adjacent lot owner within thirty (30) days, unless extended by the Board, the Association shall have the right at reasonable times to enter the adjacent lot to effect such repair, and the cost thereof shall be assessed to the adjacent lot owner, and, if not paid in a timely manner, shall become an Special Assessment upon such adjacent Lot.

13.4. **Party Fences.** Those walls or fences which are constructed between two adjoining lots and are to be shared by the Owners of said adjoining lots are to be known as and are hereby declared to be "Party Fences". Party Fences shall be the joint maintenance obligation of the Owners of the lots bordering the fences. Each Owner shall have the right to full use of said fence subject to the limitation that such use shall not infringe on the rights of the Owner of the adjacent lot or in any manner impair the value of said fence. Each Owner shall have the right and duty to maintain and to perform superficial repairs to that portion of a Party Fence which faces such Owners's lot. The cost of said maintenance and superficial repairs shall be borne solely by said Owner. In the event of damage or destruction of the Party Fence from any cause whatsoever, other than negligence or willful misconduct of one of the adjacent lot owners, the Owners of the adjacent lots shall, at their joint expense, repair and rebuild said fence within 30 days, unless extended by the Board. In the event it is necessary to repair or rebuild a Party Fence, the Owners shall agree on the cost of such repairs or rebuilding, and shall agree on the person or entity to perform such repairs, provided however, all such repairs must be performed by a qualified contractor. If the Owners cannot agree on the cost of such repairs or on the person or entity to perform such repairs, each Owner shall
choose a member of the Board to act as their arbiter. The Board members so chosen shall agree upon and choose a third Board member to act as an additional arbiter. All of the said Board members shall thereafter choose the person or entity to perform the repairs and shall assess the costs of such repairs in equal shares to the Owners. Whenever any such fence or any part thereof shall be rebuilt, it shall be erected in the same manner and be of the same size and of the same or similar materials and of like quality and color and at the same location where it was initially constructed. Provided, that if such maintenance, repair or construction is brought about solely by the neglect or the willful misconduct of one lot Owner, any expense incidental thereto shall be borne solely by such wrongdoer. If the lot Owner shall refuse to repair or reconstruct the fence within 30 days, unless extended by the Board, and to pay his share, all or part of such cost in the case of negligence or willful misconduct, the Association may have such fence repaired or reconstructed and shall be entitled to a lien on the lot of the Owner so failing to pay for the amount of such defaulting Owner's share of the repair or replacement. In the event repairs or reconstruction shall be necessary, all necessary entries on the adjacent lots shall not be deemed a trespass so long as the repairs and reconstruction shall be done in a workmanlike manner, and consent is hereby given to enter on the adjacent lots to effect necessary repairs and reconstruction.

13.5. Failure to Maintain. In the event an Owner of any lot shall fail to maintain the premises and the improvements thereon, as provided herein and in accordance with the Community-Wide Standard, the Association, after notice to the Owner, shall have the right to enter upon any lot to correct drainage and to repair, maintain and restore the exterior of the zero-lot-line single family homes and party fences and any other improvements erected thereon. All costs related to such correction, repair or restoration shall become an Special Assessment against such lot.

13.6. Casualty Insurance. Each Owner of a zero-lot-line single family home shall maintain physical damage insurance for such home in any amount equal to the replacement value of the home. The Association may require that each such Owner provide proof of insurance. Should any such Owner fail to provide proof of insurance upon request, the Association may purchase the required insurance, and the costs of such insurance may be levied as a Special Assessment against such Unit.

ARTICLE XIV

COVENANTS REGARDING ATTACHED HOMES

Without limiting the types of Units which may be developed within Island Walk, the Developer may construct single family attached homes within Island Walk. The restrictions, covenants, and provisions set forth herein shall apply to such attached homes, and may be modified, deleted, or supplemented by Subsequent Amendment.

A. Each attached home Owner grants to all other Owners owning a attached
home in the same building a perpetual utility easement for water, sewer, power, telephone and other
utility and service company lines and systems installed beneath or within the attached home.

B. Any expense caused by the necessary access of authorized personnel of the
utility or service company to service lines affecting all Units within an attached home building, and
which are located beneath or within the attached home building shall be shared equally by each of
the attached home Owners in the building affected; provided, however, that where the necessary
access by authorized personnel of the utility or service company is required because of the
intentional or negligent misuse of the utility or service company line or system by an attached home
Owner, his lessee, licensee, invitee, or agent, any expense arising therefrom shall be borne solely by
such Owner. Any expense caused by the necessary access of authorized personnel of the utility or
service company to service lines located within the Common Areas shall be paid by the Association
as a Common Expense, or where appropriate, in the sole discretion of the Board, through a
Neighborhood Assessment.

14.2. Common Walls and Roofs.

A. The attached home Units comprising each building are single family attached
Units with common walls, known as "party walls", between each Unit that adjoins another Unit. The
center line of a party wall is the common boundary of the adjoining Unit.

B. Each common wall in an attached home Unit shall be a party wall, and any
party to said wall, his heirs, successors, and assigns shall have the right to use same jointly with the
other party to said wall as herein set forth. The term "use" shall and does include normal interior
usage such as paneling, plastering, decoration, erection of tangent walls and shelving but prohibits
any form of alteration which would cause an aperture, hole, conduit, break or other displacement of
the original concrete or other material forming said party wall.

C. The entire roof of the attached home Unit building, any and all roof structure
support, and any and all appurtenances to such structures, including without limitation, the roof
covering, roof trim, and roof drainage fixtures, shall be collectively referred to as "shared roofing".

D. If a attached home Unit is damaged through an act of God or other casualty,
the affected Owner shall promptly have his Unit repaired and rebuilt substantially in accordance with
the architectural plans and specifications of the attached home Unit building. In the event such
damage or destruction of a party wall or shared roof is caused solely by the neglect or willful
misconduct of a attached home Owner, any expense incidental to the repair or reconstruction of such
wall or shared roof shall be borne solely by such wrongdoer. If the attached home Owner refuses
or fails to pay the cost of such repair or reconstruction, the Association shall have the right to
complete such repair and reconstruction substantially in accordance with the original plans and
specifications of the affected building, and the Association shall thereafter have the right to specially
assess said attached home Owner for the costs of such repair and re-construction.
E. The cost of maintaining each side of a party wall shall be borne by the attached home Owner using said side, except as otherwise provided herein.

F. No attached home Owner shall authorize the painting, refurbishing or modification of the exterior surfaces or shared roof of his attached home without the consent of the ACC.

A. The Association shall at all times be responsible for the maintenance and care of the exterior surfaces of the attached home Units. The term "Exterior of the Attached home Unit" shall include, but not be limited to, the exterior walls and shared roofing, but excluding any exterior lights. The Association shall not be responsible for the repair or replacement of any screens on any attached home Unit, nor shall the Association be responsible for the replacement of any glass. Repair and replacement of any screens or glass and the maintenance of any landscaping or shrubbery located within any patio of a attached home Unit shall be the responsibility of a attached home Unit Owner. Repainting of the exterior surfaces of an attached home Unit shall be done uniformly at the same time for the entire attached home Neighborhood by the Association. The Board shall determine the need for repainting from time to time. All costs reasonably related to said repainting (including cleaning before repainting) by the Association shall be incurred as a Common Expense.

B. The Neighborhood Assessment or Special Assessment required to maintain the exterior of the attached home Units by the Association in accordance with this Article may be made pursuant to the assessment powers and lien rights set forth herein.

14.4. Maintenance of Rear Yard. Each attached home Owner shall maintain his own lawn, landscaping, and the sprinkler system located in the rear yard of his lot. The rear yard of an attached home Unit includes all portions of the Unit behind an imaginary line which extends perpendicularly from the front door of a Unit to the Unit boundary closest to such door. The imaginary line is drawn from the horizontal plane of the front door while it is in its fully open position. The Association shall maintain the lawn, landscaping, and the sprinkler system located in the front yard (street side) of each attached home Unit.

14.5. Casualty Insurance. Each Owner of an attached home shall maintain physical damage insurance for such home in any amount equal to the replacement value of the home. The Association may require that each such Owner provide proof of insurance. Should any such Owner fail to provide proof of insurance upon request, the Association may purchase the required insurance, and the costs of such insurance may be levied as a Special Assessment against such Unit.

14.6. Party Fences. Those walls or fences which are constructed between two adjoining lots and are to be shared by the Owners of said adjoining lots are to be known as and are hereby declared to be "Party Fences". Party Fences shall be the joint maintenance obligation of the Owners
of the lots bordering the fences. Each Owner shall have the right to full use of said fence subject to the limitation that such use shall not infringe on the rights of the Owner of the adjacent lot or in any manner impair the value of said fence. Each Owner shall have the right and duty to maintain and to perform superficial repairs to that portion of a Party Fence which faces such Owner's lot. The cost of said maintenance and superficial repairs shall be borne solely by said Owner. In the event of damage or destruction of the Party Fence from any cause whatsoever, other than negligence or willful misconduct of one of the adjacent lot owners, the Owners of the adjacent lots shall, at their joint expense, repair and rebuild said fence within 30 days, unless extended by the Board. In the event it is necessary to repair or rebuild a Party Fence, the Owners shall agree on the cost of such repairs or rebuilding, and shall agree on the person or entity to perform such repairs, provided however, all such repairs must be performed by a qualified contractor. If the Owners cannot agree on the cost of such repairs or on the person or entity to perform such repairs, each Owner shall choose a member of the Board to act as their arbitrator. The Board members so chosen shall agree upon and choose a third Board member to act as an additional arbiter. All of the said Board members shall thereafter choose the person or entity to perform the repairs and shall assess the costs of such repairs in equal shares to the Owners. Whenever any such fence or any part thereof shall be rebuilt, it shall be erected in the same manner and be of the same size and of the same or similar materials and of like quality and color and at the same location where it was initially constructed. Provided, that if such maintenance, repair or construction is brought about solely by the neglect or the willful misconduct of one lot Owner, any expense incidental thereto shall be borne solely by such wrongdoer. If the lot Owner shall refuse to repair or reconstruct the fence within 30 days, unless extended by the Board, and to pay his share, all or part of such cost in the case of negligence or willful misconduct, the Association may have such fence repaired or reconstructed and shall be entitled to a lien on the lot of the Owner so failing to pay for the amount of such defaulting Owner's share of the repair or replacement. In the event repairs or reconstruction shall be necessary, all necessary entries on the adjacent lots shall not be deemed a trespass so long as the repairs and reconstruction shall be done in a workmanlike manner, and consent is hereby given to enter on the adjacent lots to effect necessary repairs and reconstruction.

ARTICLE XV

DEVELOPER'S RIGHTS

15.1. Developer's Transfer Rights. Any or all of the special rights and obligations of the Developer may be transferred or assigned to other Persons, provided that the transfer or assignment shall not reduce an obligation nor enlarge a right beyond that contained herein, and provided further, no such transfer shall be effective unless it is in a written instrument signed by the Developer and duly recorded in the Public Records of the County. Nothing in this Declaration shall be construed to require Developer or any successor or assign to develop any property other than the property described in Exhibit "A".

15.2. Developer's Sales Offices. Notwithstanding any provisions contained in the
Declaration to the contrary, so long as construction and sales of Units shall continue, it shall be expressly permissible for Developer to maintain and carry on upon portions of the Common Area such facilities and activities as, in the sole opinion of Developer, may be reasonably required, convenient, or incidental to the construction or sale of such Units, including, but not limited to, business offices, signs, model units, and sales offices, and the Developer shall have an easement for access to such facilities. The right to maintain and carry on such facilities and activities shall include specifically the right to use Units owned by the Developer and any facility which may be owned by the Association, as models and sales offices, respectively.

15.3. Right of Approval. So long as Developer continues to have rights under this Article, no Person shall record any declaration of covenants, conditions and restrictions, or declaration of condominium or similar instrument affecting any portion of the Properties without Developer's review and written consent thereto, and any attempted recordation without compliance herewith shall result in such declaration of covenants, conditions and restrictions, or declaration of condominium or similar instrument being void and of no force and effect unless subsequently approved by recorded consent signed by the Developer.

15.4. Termination of Developer's Rights. This Article may not be amended without the express written consent of the Developer; provided, however, the rights contained in this Article shall terminate upon the earlier of (a) twenty-five (25) years from the date this Declaration is recorded, or (b) upon recording by Developer of a written statement that all sales activity has ceased.

ARTICLE XVI
MORTGAGEE PROVISIONS

The following provisions are for the benefit of holders, insurers, and guarantors of first Mortgages on Units in the Properties. The provisions of this Article apply to the Homeowners Documents, notwithstanding any other provisions contained therein.

16.1. Notices of Action. An institutional holder, insurer, or guarantor of a first Mortgage who provides written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the Unit number, therefore becoming an "Eligible Holder"), will be entitled to timely written notice of:

A. Any condemnation loss or any casualty loss which affects a material portion of the Properties or which affects any Unit on which there is a first Mortgage held, insured, or guaranteed by such Eligible Holder;

B. Any delinquency in the payment of Assessments or charges owed by an Owner of a Unit subject to the Mortgage of such Eligible Holder, where such delinquency has continued for a period of sixty (60) days; provided, however, notwithstanding this provision, any
holder of a first Mortgage, upon request, is entitled to written notice from the Association of any
default in the performance by an Owner of a Unit of any obligation under the Homeowners
Documents which is not cured within sixty (60) days;

C. Any lapse, cancellation, or material modification of any insurance policy
maintained by the Association; or

D. Any proposed action which would require the consent of a specified
percentage of Eligible Holders.

16.2. Special FHLMC Provision. So long as required by the Federal Home Loan Mortgage
Corporation, the following provisions apply in addition to and not in lieu of the foregoing. Unless
at least 67% of the Institutional Mortgagees or Voting Members representing at least 67% of the total
Association vote entitled to be cast thereon consent, the Association shall not:

A. By act or omission seek to abandon, partition, subdivide, encumber, sell or
transfer all or any portion of the real property comprising the Common Area which the Association
owns, directly or indirectly (the granting of easements for public utilities or other similar purposes
consistent with the intended use of the Common Area shall not be deemed a transfer within the
meaning of this subsection);

B. Change the method of determining the obligations, Assessments, or other
charges which may be levied against an Owner of a Unit (A decision, including contracts, by the
Board of provisions of any declaration subsequently recorded on any portion of the Properties
regarding Assessments for Neighborhoods or other similar areas shall not be subject to this provision
where such decision or subsequent declaration is otherwise authorized by this Declaration.);

C. By act or omission change, waive, or abandon any scheme of regulations or
enforcement thereof pertaining to the architectural design or the exterior appearance and
maintenance of Units and of the Common Area (The issuance and amendment of architectural
standards, procedures, rules and regulations, or use restrictions shall not constitute a change, waiver,
or abandonment within the meaning of this provision.);

D. Fail to maintain insurance, as required by this Declaration; or

E. Use hazard insurance proceeds for any Common Area losses for other than
the repair, replacement or reconstruction of such property.

Institutional Mortgagees may, jointly or singly, pay taxes or other charges which are in
default and which may or have become a charge against the Common Area and may pay overdue
premiums on casualty insurance policies or secure new casualty insurance coverage upon the lapse
of an Association policy, and Institutional Mortgagees making such payments shall be entitled to
immediate reimbursement from the Association.

16.3. **Other Provisions for Mortgagees.** To the extent possible under Florida law:

A. Any restoration or repair of the Properties after a partial condemnation or damage due to an uninsurable hazard shall be performed substantially in accordance with this Declaration and the original plans and specifications.

B. Any election to terminate the Association after substantial destruction or substantial taking in condemnation shall require the approval of at least 67% of the Eligible Holders of first Mortgages on Units.

16.4. **Amendments to Homeowners Documents.** The following provisions do not apply to amendments to the Homeowners Documents or termination of the Association made as a result of destruction, damage, or condemnation pursuant to Section 17.3 above, or to the addition of land in accordance with Article II.

A. **Consent to Termination.** The consent of Voting Members representing at least 67% of the Class "A" votes and of the Developer, so long as it owns any land subject to this Declaration, and the approval of the Eligible Holders of first Mortgages on Units to which at least 67% of the votes of the Units subject to a Mortgage appertain, shall be required to terminate the Association.

B. **Consent to Amendments.** The consent of Voting Members representing at least 51% of the Class "A" votes and of the Developer, so long as it owns any land subject to this Declaration, and the approval of the Eligible Holders of first Mortgages on Units to which at least 51% of the votes of the Units subject to a Mortgage appertain, shall be required to materially amend any provisions of the Declaration, By-Laws or Articles, or to add material provision thereto which establish, provide for, govern, or regulate any of the following:

   (i) Voting;

   (ii) Assessments, assessment liens, or subordination of such liens;

   (iii) Insurance or fidelity bonds;

   (iv) Rights to use the Common Areas;

   (v) Responsibility for maintenance and repair of the Properties;

   (vi) Expansion or contraction of the Properties or the addition, annexation, or withdrawal of Properties to or from the Association;
(vii) Boundaries of any Unit;

(viii) Leasing of Units;

(ix) Imposition of any right of first refusal or similar restriction of the right of any Owner to sell, transfer, or otherwise convey his or her Unit;

(x) Any provisions included in the Declaration, By-Laws, or Articles which are for the express benefit of holders, guarantors, or insurers of first Mortgages on Units.

16.5. **No Priority.** No provision of the Homeowners Documents gives or shall be construed as giving any Owner or other party priority over any rights of the first Mortgagee of any Unit in the case of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Areas.

16.6. **Notice to Association.** Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner’s Unit.

16.7. **Amendment by Board.** Should the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation subsequently delete any of their respective requirements which necessitate the provisions of this Article or make any such requirements less stringent, the Board, without approval of the Owners, may cause an amendment to this Article to be recorded to reflect such changes.

16.8. **Failure of Mortgagee to Respond.** Any Mortgagee who receives a written request from the Board to respond to or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the Mortgagee within 30 days of the date of the Association’s request, provided such request is delivered to the Mortgagee by certified or registered mail, return receipt requested.

**ARTICLE XVII**

**ENFORCEMENT OF DECLARATION**

The enforcement of this Declaration may be by proceeding at law for damages or in equity to compel compliance with its terms or to prevent violation or breach of any of the covenants or terms herein. The Developer, the Association, or any Unit Owner may, but shall not be required to, seek enforcement of the Declaration. Any Unit Owner who seeks enforcement of this Declaration shall by his actions be deemed to have indemnified the Developer and the Association from all liabilities resulting from his actions. Should the party seeking enforcement be the prevailing party in any action, then the person against whom enforcement has been sought shall pay all costs and reasonable attorneys’ fees at all trial and appellate levels to the prevailing party.
ARTICLE XVIII

AMENDMENTS

18.1. Amendments Generally. Until the closing of the first conveyance of a Unit by Developer to an Owner, other than Developer ("Amendment Date"), any amendment may be made by the Developer with consent of any mortgagee who has advanced funds for construction or who is under contract to advance construction funds, if any. With the exception of Subsequent Amendments, which may be made at any time; after the Amendment Date, this Declaration may be amended only by consent of fifty-one percent (51%) of all Unit Owners.

18.2. Limitation on Amendments. Any amendment which would affect the surface water management system, including environmental conservation areas and the water management portions of the Common Areas, must have the prior approval of the South Florida Water Management District.

18.3. Scrivener's Errors. Prior to the Transfer Date, the Developer may amend this Declaration in order to correct a scrivener's error or other defect or omission without the consent of the Owners or the Board; provided that such amendment is reasonable and does not adversely affect in a material manner an Owner's property rights. Such an amendment shall be signed by the Developer alone and a copy of the amendment shall be furnished to each Owner, the Association, and all institutional mortgagees as soon after recording thereof amongst the public records of the County, as is practicable.

18.4. Effective Date of Amendments. An amendment to the Declaration shall become effective upon the recordation amongst the public records of the County.

ARTICLE XIX

CONVEYANCES

In order to assure a community of congenial residents and thus protect the value of the Units in Island Walk, the sale or lease of Units shall be subject to the following provisions:

19.1. Notice to Association. Not less than 20 days prior to: (i) the date of any closing of a sale, or (ii) the effective date of any lease; the Unit Owner shall notify the Association in writing of his or her intention to sell or lease his or her Unit and furnish with such notification a copy of the contract for purchase and sale or a copy of the lease, whichever is applicable. Except as provided below, it is not the intention of this Article to grant to the Association a right of approval or disapproval of purchasers or lessees. It is, however, the intent of this paragraph to impose an affirmative duty on the Unit Owners to keep the Association fully advised of any changes in occupancy or ownership for the purposes of facilitating the management of the Association's
membership records. As this Article is a portion of the Declaration which runs with the land, any transaction which is conducted without compliance with this Article may be voidable by the Association.

19.2. **Lease Agreement Terms.** Any and all lease agreements between an Owner and a lessee of such Owner shall be in writing, shall provide for a term of not less than four (4) months, and must provide that the lessee shall be subject in all respects to the terms and provisions of this Declaration and that any failure by the lessee under such lease agreement to comply with such terms and conditions shall be a material default and breach of the lease agreement. The lease agreement shall also state the party who will be responsible for the assessments as stated above, and it shall be the obligation of all Unit Owners to supply the Board with a copy of said written agreement prior to the lessee occupying the premises. Unless provided to the contrary in a lease agreement, an Unit Owner, by leasing his Unit, automatically delegates his right of use and enjoyment of the Common Areas and facilities to his lessee; and in so doing, said Owner relinquishes said rights during the term of the lease agreement.

19.3. **Association Approval.** Upon receipt of a copy of the contract for purchase and sale or a copy of the lease, the Association shall within ten (10) business days, issue a Certificate indicating the Association's approval of the transaction. In the event of a sale it shall then be the responsibility of the purchaser to furnish the Association with a recorded copy of the deed of conveyance indicating the owner's mailing address for all future assessments and other correspondence from the Association. Provided, however, prior to the issuance by the Association of a Certificate indicating the Association's approval of the transaction, the purchaser or lessee shall be required to agree to comply with the Rules and Regulations of the Association.

19.4. **Delinquent Unit Owners.** Notwithstanding the provisions above, in the event that an Unit Owner is delinquent in paying any assessment, or the Owner or his buyer, family, guests, agents, licensees or invitees are not in compliance with any provisions of the Homeowners Documents, the Association has the right to disapprove of any sale; and in the case of a lease, the right to disapprove of and to void any lease at any time prior to or during the leasehold tenancy until any delinquent assessment is paid and/or until any violation of the Homeowners Documents is corrected.

**ARTICLE XX**

**TERMINATION**

20.1. **Consent to Termination.** The consent of Voting Members representing at least 67% of the Class "A" votes and of the Developer, so long as it owns any land subject to this Declaration, and the approval of the Eligible Holders of first Mortgages on Units to which at least 67% of the votes of the Units subject to a Mortgage appertain, shall be required to terminate the Association.
20.2. **Termination and Documents.** If this Declaration is terminated in accordance herewith, it is hereby declared by the Developer, and each and every Owner of a Unit by acquiring title to his Unit covenants and agrees, that the termination documents shall require:

A. That all Units shall continue to be used solely as Single Family residences.

B. All Common Areas shall be owned and held in equal shares by the Unit Owners as tenants in common, and each Unit Owner shall remain obligated to pay his pro rata share of expenses to continually maintain the Common Areas.

20.3. **Limitation on Termination.** The Unit Owners and their grantees, successors, and assigns by acquiring title to a Unit covenant and agree that no termination of this Declaration shall be made for a period of twenty-five (25) years from the date of recordation of this Declaration. This Declaration and the terms, provisions, conditions, covenants, restrictions, reservations, regulations, burdens and liens contained herein shall run with and bind the subject property and inure to the benefit of Developer, the Association, the Owners, Institutional Mortgagees and their respective legal representatives, heirs, successors, and assigns for said period. After this period, the Declaration shall be automatically renewed and extended for successive periods of ten (10) years each unless at least one (1) year prior to the termination of such twenty-five (25) year term or any such ten (10) year extension there is recorded amongst the Public Records of the County, an instrument signed by at least 67% of all Mortgagees holding Mortgages encumbering the Units agreeing to terminate this Declaration, upon which event this Declaration shall be terminated upon the expiration of twenty-five (25) years or the ten (10) year extension thereof during which the termination instrument is recorded.

20.4. **Water Management System.** If the Association is terminated, the property consisting of the surface water management system operated and maintained as part of the Common Areas shall be conveyed to an appropriate agency of local government, and if not accepted thereby, then it must be conveyed to a similar non-profit corporation.

**ARTICLE XXI**

**CONSERVATION AREA**

21.1 **Maintenance of Conservation Area.** A portion of the Property may be designated as a Conservation Area, and shall be subject to a Deed of Conservation Easement in favor of the South Florida Water Management District. The Conservation Area shall be maintained by the Association pursuant to the terms of the Deed of Conservation Easement, and the Conservation Area shall not be altered from its natural or permitted state. The Association shall permit representatives of the South Florida Water Management District and all other appropriate governmental agencies to inspect and monitor the Conservation Area upon reasonable notice. The costs of all maintenance expenses incurred in connection with maintenance of the Conservation Area shall be assessed to the Members.
as a Common Expense in perpetuity.

21.2 **Prohibited Activities.** The following activities shall be prohibited in or on the Conservation Area:

A. Construction or placing of buildings, roads, signs, billboards or other advertising, utilities, or other structures on or above the ground;

B. Dumping or placing of soil or other substance or material as landfill, or dumping or placing of trash, waste, or unsightly or offensive materials;

C. Removal or destruction of trees, shrubs, or other vegetation, except for the removal of exotic vegetation in accordance with a governmentally approved maintenance plan;

D. Excavation, dredging, or removal of loam, peat, gravel, soil, rock, or other material substance in such manner as to affect the surface;

E. Surface use except for purposes that permit the land or water area to remain predominantly in its natural condition, and which receive prior governmental approval;

F. Activities detrimental to drainage, flood control, water conservation, erosion control, soil conservation, or fish and wildlife habitat preservation; or diking; or fencing;

G. Acts or uses detrimental to such retention of land or water areas.

**ARTICLE XXII**

**MISCELLANEOUS**

22.1 **No Waiver.** The failure of the Developer, the Association, or any Owner to object to an Owner's or another person's failure to comply with the covenants, conditions and restrictions contained herein shall in no event be deemed a waiver of any right to object to same and to seek compliance therewith in accordance with the provisions herein.

22.2 **Headings.** Article and paragraph captions inserted throughout this Declaration are intended only as a matter of convenience and for reference only and in no way shall such captions or headings define, limit or in any way affect any of the terms and provisions of this Declaration.

22.3 **Pronouns.** Whenever the context requires, any pronoun used herein may be deemed to mean the corresponding masculine, feminine or neuter form thereof, and the singular form of any nouns or pronouns herein may be deemed to mean the corresponding plural form thereof and vice versa.

51
22.4. **Severability.** In the event any one of the provisions of this Declaration shall be deemed invalid by a court of competent jurisdiction, said judicial determination shall in no way affect any of the other provisions thereof, which shall remain in full force and effect.

22.5. **Partition.** The Association may not convey, encumber, abandon, partition or subdivide any of the Common Areas without the approval of all Institutional Mortgagors.

22.6. **Homeowners Documents.** The Association is required to make available to Owners, to Institutional Mortgagors, and to holders, insurers or guarantors of any first Mortgage, current copies of the Declaration, Articles of Incorporation, By-Laws, Rules and Regulations and other such documents governing the Association, as well as the books, records, and financial statements of the Association. "Available" shall be defined as obtainable for inspection, upon written request after reasonable notice, during normal business hours or under such other reasonable circumstances. Any holder of a first mortgage shall be entitled, upon written request after reasonable notice, to a financial statement of the Association for the immediately preceding fiscal year.

22.7. **Street Lighting.** The Common Area street lighting will be obtained by the Developer from Florida Power & Light Company. If required by Florida Power & Light Company, the Developer may secure, by a letter of credit or other acceptable financial assurance, the street lighting for a period of not more than one (1) year after the Transfer Date. The Association shall be responsible and liable for any financial assurances required by Florida Power & Light Company at the expiration of said period.

IN WITNESS WHEREOF, the Declaration of Covenants, Conditions and Restrictions for Island Walk has been signed by the Developer and the Association on the day and year first above set forth. **ARTICLE IX**

**INDEMNIFICATION**

Every Director, committee member, and officer of the Association (and the Directors, committee members, and officers as a group) shall be indemnified by the Association against all expenses and liabilities, including counsel fees (at all trial and appellate levels and whether or not suit be instituted) reasonably incurred by or imposed upon him or them in connection with any proceeding, litigation or settlement in which he may become involved by reason of his being or having been a Director, committee member, or officer of the Association. The foregoing provisions for indemnification shall apply whether or not he is a Director, committee member, or officer at the time such expenses and/or liabilities are incurred. Notwithstanding the above, in the event of a settlement, the indemnification provisions herein shall not be automatic and shall apply only when the Board approves such settlement and authorizes reimbursement for the costs and expenses of the settlement as in the best interest of the Association. In instances where a Director, committee member, or officer admits or is adjudged guilty of willful misfeasance or malfeasance in the performance of his duties, the indemnification provisions of these Articles shall not apply. Otherwise, the foregoing rights to indemnification shall be in addition to and not exclusive of any and all rights of indemnification to which a Director, committee member, or officer may be entitled.
whether by statute or common law.

ARTICLE X

BY-LAWS

The By-Laws of the Association may be adopted, amended, altered, or rescinded as provided therein; provided, however, that at no time shall the By-Laws conflict with these Articles or the Declaration, and provided further, that no amendment, alteration, or rescission may be made which adversely affects the rights and privileges of any Institutional Mortgagee, without the prior written consent of the Institutional Mortgagee so affected, and provided further that until the Transfer Date no amendments, alterations or rescissions of the By-Laws shall be effective unless the Developer shall have joined in and consented thereto in writing. Any attempt to amend, alter, or rescind contrary to these prohibitions shall be of no force or effect.

ARTICLE XI

AMENDMENTS

11.1. Amendments Prior to Recording. Prior to the recording of the Declaration amongst the public records of the County, these Articles may be amended only by an instrument in writing signed by all of the Incorporators to these Articles and filed in the Office of the Secretary of State of the State of Florida. The instrument amending these Articles shall identify the particular Article or Articles being amended, give the exact language of such amendments, and a certified copy of each such amendment shall always be attached to any certified copy of these Articles.

11.2. Amendments After Recording. After the recording of the Declaration amongst the public records of the County, these Articles may be amended in the following manner:

A. Notice of the subject matter of the proposed amendment shall be included in the notice of any meeting (whether of the Board or of the Membership) at which such proposed amendment is to be considered; and

B. A resolution approving the proposed amendment may be first passed by either the Board or the Membership. After such approval of a proposed amendment by one of said bodies, such proposed amendment must be submitted to and approved by the other of said bodies. Approval by the Membership must be by a vote of a majority of the Voting Members present at a meeting of the Voting Members at which a quorum is present and approval by the Board must be by a majority of the Directors present at any meeting of the Directors at which a quorum is present.

11.3. Amendment by Reference to Title. No Article shall be revised or amended by reference to its title or number only. Proposals to amend existing Articles shall contain the full text of the Articles to be amended; new words shall be inserted in the text underlined, and words to be
deleted shall be lined through with hyphens. However, if the proposed change is so extensive that this procedure would hinder, rather than assist, the understanding of the proposed amendment, it is not necessary to use underlining and hyphens as indicators of words added or deleted, but instead a notation must be inserted immediately preceding the proposed amendment in substantially the following language: "Substantial re-wording of Article. See Article _____ for present text." Non-material errors or omissions in the Article amendment process shall not invalidate an otherwise properly promulgated amendment.

11.4. Institutional Mortgagees. Notwithstanding the foregoing provisions of this Article, there shall be no amendment to these Articles which shall abridge, amend or alter the priority of any Institutional Mortgagee, or the validity of any mortgage held by such Institutional Mortgagee without the prior written consent therefor by such Mortgagee.

11.5. Developer. Notwithstanding the foregoing provisions of this Article, there shall be no amendment to these Articles which shall abridge, amend or alter the rights of Developer, including the right to designate, to select, or to approve the selection of the Directors as provided in the Declaration and By-Laws, without the prior written consent of the Developer.

IN WITNESS WHEREOF, the Incorporators have hereunto affixed their signatures, this 28th day of April, 1998.

ARTICLE II

ASSOCIATION: MEMBERSHIP, MEETINGS, QUORUM, VOTING, AND PROXIES

2.1. Membership. The Association shall have two (2) classes of membership, Class "A" and Class "B", as more fully set forth in the Declaration, the terms of which pertaining to membership are specifically incorporated herein by reference.

2.2. Place of Meetings. Meetings of the Association shall be held at the principal office of the Association or at such other suitable place convenient to the Members as may be designated by the Board.

2.3. Annual Meetings. The first meeting of the Association, whether a regular or special meeting, shall be held within one (1) year from the date of incorporation of the Association. Annual meetings shall be of the Voting Members or their alternates. Subsequent regular annual meetings shall be set by the Board so as to occur at least thirty (30) but not more than ninety (90) days after the close of the Association's fiscal year, on a date and at a time set by the Board.

2.4. Special Meetings. Special meetings of the Membership shall be held at any place within the County, whenever called by the President or Vice President or by a majority of the Board. In addition, it shall be the duty of the President to call a special meeting if so directed by the
resolution of a majority of a quorum of the Board, or upon a petition signed by Voting Members or other Members representing at least ten (10%) percent of the total Class "A" votes of the Association. The notice of any special meeting shall state the date, time, and place of such meeting and the purpose thereof. No business shall be transacted at a special meeting except as stated in the notice.

2.5. **Notice of Meetings.** Written or printed notice stating the place, day, and hour of any meeting of the Voting Members, shall be delivered, either personally or by mail, to each Voting Member entitled to vote at such meeting, not less than ten (10) nor more than sixty (60) days before the date of such meeting, by or at the direction of the President or the Secretary or the officers or persons calling the meeting. If mailed, the notice of the meeting shall be deemed to be delivered when deposited in the United States mail addressed to the Voting Member at his address as it appears on the records of the Association. The post office certificate of mailing shall be retained as proof of such mailing. The notice shall be signed by an officer of the Association. In the case of a special meeting or when required by statute or the By-Laws, the purpose or purposes for which the meeting is called shall be stated in the notice.

2.6. **Waiver of Notice.** Waiver of notice of a meeting of the Voting Members shall be deemed the equivalent of proper notice. Any Voting Member may, in writing, waive notice of any meeting of the Voting Members, either before or after such meeting. Attendance at a meeting by a Voting Member or alternate shall be deemed waiver by such Voting Member of notice of the time, date, and place thereof, unless such Voting Member specifically objects to lack of proper notice at the time the meeting is called to order. Attendance at a special meeting shall also be deemed waiver of notice of all business transacted unless objection to the calling or convening of the meeting, of which proper notice was not given, is raised before the business is put to a vote.

2.7. **Adjournment of Meetings.** If any meeting of the Association cannot be held because a quorum is not present, a majority of the Voting Members who are present at such meeting, may adjourn the meeting to a time not less than five (5) nor more than thirty (30) days from the time the original meeting was called. At the reconvened meeting, if a quorum is present, any business which might have been transacted at the meeting originally called may be transacted. If a time and place for reconvening the meeting is not fixed by those in attendance at the original meeting or if for any reason a new date is fixed for reconvening the meeting after adjournment, notice of the time and place for reconvening the adjourned meeting shall be given in the manner prescribed for regular meetings.

The Voting Members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough Voting Members to leave less than a quorum, provided that Voting Members or their alternates representing at least twenty-five (25%) percent of the total votes of the Association remain in attendance, and provided further that any action taken is approved by at least a majority of the Voting Members required to constitute a quorum.
2.8. Voting. The voting rights of the Members shall be as set forth in the Declaration, and such voting rights provisions are specifically incorporated herein by reference.

2.9. Proxies. Voting Members may not vote by proxy but only in person or through their designated alternates.

2.10. Majority. As used in these By-Laws, the term "Majority" shall mean those votes, owners, or other group as the context may indicate totaling more than fifty (50%) percent of the total number.

2.11. Quorum. Except as otherwise provided in these By-Laws or in the Declaration, the presence in person, or by alternate, of the Voting Members representing one-third (1/3) of the total vote of the Association shall constitute a quorum at all meetings of the Association.

2.12. Conduct of Meetings. The President, or his designated alternate, shall preside over all meetings of the Association, and the Secretary, or his designated alternate, shall keep the minutes of the meeting, record in a minute book all resolutions adopted at the meeting, and keep a record of all transactions occurring at the meeting. Minutes of all meetings shall be kept in a businesslike manner and shall be available for inspection by the Members and the Board at all reasonable times.

2.13. Action Without A Meeting. Any action required or permitted by law to be taken at a meeting of the Voting Members may be taken by written agreement in lieu of a meeting, provided written notice of the matter or matters to be agreed upon is given to the Voting Members at the addresses and within the time periods set forth herein or duly waived in accordance herewith. The decision of the majority of the Voting Members (as evidenced by written response to be solicited in the notice) shall be binding on the Membership, provided a quorum of the Membership as represented by the Voting Members submits a response. The notice shall set forth a time period during which time a response must be made by a Voting Member.

2.14. Voting Certificate and Ledger. All voting certificates shall be filed with the Secretary. The Secretary shall keep all voting certificates and shall prepare and maintain a ledger listing, by Unit, each Member who is designated to vote on behalf of such Unit.

2.15. Secret Ballot. At any time prior to a vote upon any matter at any meeting of Voting Members, any Voting Member may require that a vote be made by secret written ballot.

After the Transfer Date, the Directors shall be Members or spouses of such Members; provided, however, no person and his or her spouse may serve on the Board at the same time. In the case of an Owner which is a corporation or partnership, the person designated in writing to the Secretary of the Association as the representative of such corporation or partnership shall be eligible to serve as a Director, unless otherwise specified by written notice to the Association signed by such Member; provided, no Member may have more than one such representative on the Board at a time, except in the case of Directors appointed by the Class "B" Member.

B. Directors During Class "B" Control. The Directors during the Class "B" Control Period shall be selected by the Class "B" Member acting in its sole discretion, and shall serve at the pleasure of the Class "B" Member until the Transfer Date. On the Transfer Date, the Class "B" Member shall cause the Board to call a meeting, as provided in Article II, paragraph 4, of these By-Laws, for special meetings, to advise the Membership of termination of the Class "B" Control Period.

C. Veto. This paragraph may not be amended without the express, written consent of the Class "B" Member as long as the Class "B" Membership exists. So long as the Class "B" Membership controls the Board, the Class "B" Member shall have a veto power over all actions of any Committee of the Association, as is more fully provided in this paragraph. This veto power shall be exercisable only by the Class "B" Member, its successors, and assigns who specifically take this power in a recorded instrument. No action authorized by any Committee shall become effective, nor shall any action, policy, or program be implemented until and unless:

i. The Class "B" Member shall have been given written notice of all meetings and proposed actions approved at meetings of any Committee thereof by certified mail, return receipt requested, or by personal delivery at the address it has registered with the Secretary of the Association, as it may change from time to time. The notice shall comply with the requirements for notices set forth herein, and shall set forth in reasonable particularity the agenda to be followed at said meeting; and

ii. The Class "B" Member shall be given the opportunity at any such meeting to join in or to have its representatives or agents join in discussion from the floor of any prospective action, policy, or program, to be implemented by any Committee or the Association. The Class "B" Member, its representatives or agents shall make its concerns, thoughts, and suggestions known to the members of the subject committee. The Class "B" Member shall have and is hereby granted a veto power over any such action, policy, or program authorized by any Committee thereof and to be taken by such Committee, the Association, or any individual member of the Association, if Committee or Association approval is necessary for such action. This veto may be exercised by the Class "B" Member, its representatives, or agents at any time within ten (10) days following the meeting held pursuant to the terms and provisions hereof. Any veto shall not extend to the requiring of any action or counteraction on behalf of any Committee or the Association.
3.2. **Number of Directors.** The number of Directors in the Association shall be not less than five (5) nor more than nine (9), as provided in paragraph 6 below. The initial Board shall consist of three (3) members as identified in the Articles. The Board elected on the Transfer Date shall have not less than five (5) Directors, thereafter, the Board shall determine the number of Directorships for the succeeding year at the Board meeting prior to the Annual Members’ Meeting, provided however, that the total number of Directors shall always be an odd number.

3.3. **Nomination of Directors.** Except with respect to Directors selected by the Class “B” Member, nominations for election to the Board of Directors shall be made by a Nominating Committee. The Nominating Committee shall consist of a Chairman, who shall be a member of the Board, and two (2) or more Members of the Association with at least one representative from each Voting Group. The Nominating Committee shall be appointed by the Board not less than thirty (30) days prior to each annual meeting of the Voting Members. The Nominating Committee shall make as many nominations for election to the Board as it shall in its discretion determine. Nominations shall be permitted from the floor. All nominees and candidates shall have a reasonable opportunity to communicate their qualifications to the Voting Members and to solicit votes.

3.4. **Election and Term of Office.** Notwithstanding any other provision contained herein:

A. The Class “B” Member Control Period shall terminate on the Transfer Date. On the Transfer Date and at each annual meeting of the Voting Members after the Transfer Date, all Directors shall be elected by the Voting Members, excepting however, the Developer shall be entitled to appoint one member of the Board so long as the Developer holds for sale in the ordinary course of business at least 5% of the Units constructed or anticipated to be constructed in Island Walk.

B. On the Transfer Date: (i) so long as the Developer holds for sale in the ordinary course of business at least 5% of the Units constructed or anticipated to be constructed in Island Walk, one Director shall be appointed by the Developer; (ii) two Directors shall be elected for a one year term; and (iii) two Directors shall be elected for a two year term. If on the Transfer Date, the Developer does not hold for sale in the ordinary course of business at least 5% of the Units constructed or anticipated to be constructed in Island Walk, or if the Developer waives its right to appoint a Director, then the Voting Members shall elect: (i) two Directors for a one year term; and (iii) three Directors for a two year term. With the exception of the Director appointed by the Developer, all Directors shall be elected by the Voting Members representing the Class “A” Members, with an equal number of Directors elected by each Voting Group, if any, and any remaining Directorships filled at large by the vote of all Voting Members. Upon the expiration of the term of office for each Director elected for one year, the Voting Members entitled to elect such Director shall be entitled to elect a successor to serve a term of two years.

C. When the Developer is no longer entitled to appoint a Director, then the Director appointed by the Developer shall resign and the remaining Directors shall be entitled to appoint a Director to serve the unexpired portion of the term. At the next Annual Members Meeting,
the Voting Members shall be entitled to elect a successor to serve a two year term.

D. The Voting Members within each Voting Group shall vote on separate slates for election of the Directors to represent their Voting Group and the Directors to be elected at large. Each Voting Member shall be entitled to cast the total number of votes which it is entitled to cast pursuant to the Declaration with respect to each vacancy to be filled from each slate on which such Voting Member is entitled to vote. There shall be no cumulative voting. The candidate(s) receiving the most votes shall be elected. The Directors shall hold office until their respective successors have been elected. Directors may be elected to serve any number of consecutive terms. The provisions of the Articles setting forth the terms of the Directors' service is incorporated herein by reference.

3.5. Removal of Directors and Vacancies.

A. Any Director elected by the Voting Members may be removed, with or without cause, by the affirmative vote of a majority the Voting Members taken at a special meeting of the Voting Members, or upon the agreement in writing of a majority of the Voting Members. A special meeting of Voting Members to remove a Director elected by them shall be held, subject to the notice provisions hereof, upon the written request of ten percent (10%) of the Voting Members. However, before any Director is removed from office, he shall be notified in writing at least two (2) days prior to the meeting at which the motion to remove him will be made, and such Director shall be given an opportunity to be heard at such meeting, should he be present, prior to the vote on his removal.

B. The Voting Members shall elect, at a special meeting or at the annual meeting of Voting Members, persons to fill vacancies on the Board caused by the removal of a Director elected by the Voting Members.

C. A Director appointed by the Developer may be removed only by the Developer in its sole discretion and without any need for a meeting or vote. The Developer shall have the unqualified right to name a successor for any Director appointed by the Developer, and thereafter removed by it, or for any vacancy on the Board as to a Director appointed by it, and the Developer shall notify the Board as to any such removal or vacancy and the name of the successor Director and of the commencement date for the term of such successor Director.

D. Any Director elected by the Voting Members who has three consecutive unexcused absences from Board meetings, or who is delinquent in the payment of any assessment or other charge due the Association for more than sixty (60) days may be removed by a majority of the Directors present at a regular or special meeting at which a quorum is present, and a successor may be appointed by the Board to fill the vacancy for the remainder of the term. In the event of the death, disability, or resignation of a Director, a vacancy may be declared by the Board and it may appoint a successor. Any Director appointed by the Board shall be selected from among Members within the Voting Group represented by the Director who vacated the position.
3.6. **Organization Meetings.** The first meeting of the Board following each annual meeting of the Voting Members shall be held within ten (10) days thereafter at such time and place as shall be fixed by the Board. No further notice of the organizational meeting shall be necessary, providing that a quorum shall be present at such organizational meeting.

3.7. **Regular Meetings.** Regular meetings of the Board may be held at such time and place as shall be determined from time to time by a majority of the Directors. Notice of the time and place of the meeting shall be communicated to Directors not less than two (2) days prior to the meeting; provided, however, notice of a meeting need not be given to any Director who has signed a waiver or a written consent to holding of the meeting. Notice of any meeting where assessments against Members are to be considered for any reason shall specifically contain a statement that assessments will be considered and the nature of any such assessments.

3.8. **Special Meetings.** Special meetings of the Board shall be held when called by written notice signed by the President or Vice President of the Association or by any three (3) Directors. The notice shall specify the time and place of the meeting and the nature of any special business to be considered. The notice shall be given to each Director by one of the following methods: (a) by personal delivery; (b) written notice by first class mail, postage prepaid; or (c) by telephone or telecopier (facsimile) communication, either directly to the Director or to a person at the Director's office or home who would reasonably be expected to communicate such notice promptly to the Director. All such notices shall be given at the Director's telephone number or sent to the Director's address as shown on the records of the Association. Notices sent by first class mail shall be deposited into a United States mailbox at least two days (2) before the time set for the meeting. Notices given by personal delivery or telephone shall be delivered or telephoned at least twenty-four (24) hours before the time set for the meeting.

3.9. **Waiver of Notice.** The transactions of any meetings of the Board, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice if (a) a quorum is present, and (b) either before or after the meeting each of the Directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. Notice of a meeting shall also be deemed given to any Director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

3.10. **Quorum of Board of Directors.** At all meetings of the Board, a majority of the Directors shall constitute a quorum for the transaction of business, and the votes of a majority of the Directors present at a meeting at which a quorum is present shall constitute the decision of the Board. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of Directors, if any action taken is approved by at least a majority of the required quorum for that meeting. If any meeting of the Board cannot be held because a quorum is not present, a majority of the Directors who are present at such meeting may adjourn the meeting to a time not less than five (5) nor more than thirty (30) days from the date the original meeting was called. At the reconvened meeting, if a quorum is present, any business which might
have been transacted at the meeting originally called may be transacted without further notice. The notice provisions for the reconvened meeting shall be as determined by the Board.

3.11. Compensation. No Director shall receive any compensation from the Association for acting as a Director unless approved by the Members at a regular or special meeting of the Association; provided, however, any Director may be reimbursed for expenses incurred on behalf of the Association upon approval of a majority of the other Directors. Nothing herein shall prohibit the Association from compensating a Director, or any entity with which a Director is affiliated, for service or supplies furnished to the Association in a capacity other than as a Director, pursuant to a contract or agreement with the Association, provided that such Director's interest was made known to the Board prior to entering into such contract, and such contract was approved by a majority of the Board, excluding the interested Director.

3.12. Conduct of Meetings. The President shall preside over all meetings of the Board, and the Secretary shall keep a minute book of meetings of the Board, recording therein all resolutions adopted by the Board, and all transactions and proceedings occurring at such meetings. Minutes of all Board meetings shall be kept in a businesslike manner and shall be available for inspection by the Members and the Board at all reasonable times.

3.13. Open Meetings. Except for actions taken without a formal meeting, all meetings of the Board shall be open to all Members, but Members other than Directors may not participate in any discussions or deliberations unless permission to speak is requested on his or her behalf by a Director. In such case, the President may limit the time any Member may speak. In the event a Member not serving as a Director or not otherwise invited by the Directors to participate in the meeting attempts to become more than a mere observer at the meetings or conducts himself in a manner detrimental to the carrying on of the meeting, then any Director may expel said Member from the meeting by any reasonable means which may be necessary to accomplish said Member's expulsion. Also, any Director shall have the right to exclude from any meeting of the Board any person who is not able to provide sufficient proof that he is a Member, unless said person has been specifically invited by any of the Directors to participate in such meeting.

3.14. Action Without a Formal Meeting. Any action to be taken at a meeting of the Directors or any action that may be taken at a meeting of the Directors may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the Directors, and such consent shall have the same force and effect as a unanimous vote.

3.15. Powers and Duties. The Board shall be responsible for the affairs of the Association and shall have all of the powers and duties necessary for the administration of the Association's affairs and, as provided by law, may do all acts and things as are not by the Declaration, Articles, or these By-Laws directed to be done and exercised exclusively by the Voting Members or the Membership generally.

The Board shall delegate to one of its members the authority to act on behalf of the Board
on all matters relating to the duties of the managing agent or manager, if any, which might arise between meetings of the Board.

In addition to the duties imposed by these By-Laws or by any resolution of the Association that may hereafter be adopted, the Board shall have the power to and shall be responsible for the following, in way of explanation, but not limitation:

The Board may delegate to the managing agent or manager, subject to the Board’s supervision, all of the powers granted to the Board by these By-Laws, other than the powers set forth above. The Developer, or an affiliate of the Developer, may be employed as managing agent or manager.

B. No management contract may have a term in excess of one (1) year and must permit termination by either party without cause and without termination fee on not more than ninety (90) days written notice.

The annual report referred to above shall be prepared on a reviewed basis by a certified public accountant; provided, during the Class "B" Control Period, the annual report shall include reviewed financial statements.
3.18. **Borrowing.** The Board shall have the power to borrow money for the purpose of maintenance, repair or restoration of the Common Areas without the approval of the Voting Members. The Board shall also have the power to borrow money for other purposes; provided, the Board shall obtain Voting Member approval in the same manner provided in Article VIII, Paragraph 3, of the Declaration for special assessments in the event that the proposed borrowing is for the purpose of modifying, improving, or adding amenities and the total amount of such borrowing exceeds or would exceed five (5%) percent of the budgeted gross expenses of the Association for that fiscal year.

3.19. **Rights of the Association.** In accordance with the Articles and By-Laws, the Association shall have the right to contract with any person for the performance of various duties and functions. Without limiting the foregoing, this right shall entitle the Association to enter into common management, operational, or other agreements with trusts, condominiums, cooperatives, or Neighborhood and other owners or residents associations, both within or without the Properties. Such agreements shall require the consent of a majority of all the Directors.

3.20. **Enforcement.** The Board shall have the power to impose reasonable fines, which shall constitute a lien upon the property of the violating Owner, and to suspend for a reasonable period of time an Owner's right to use common areas and facilities for violation of any duty imposed under the Declaration, these By-Laws, or any rules and regulations duly adopted hereunder; provided, however, nothing herein shall authorize the Association or the Board of Directors to limit ingress and egress to or from a Unit or to suspend an Owner's right to vote. In the event that any occupant of a Unit violates the Declaration, By-Laws, or a rule or regulation and a fine is imposed, the fine shall first be assessed against the occupant; provided, however, if the fine is not paid by the occupant within the time period set by the Board, the Owner shall pay the fine upon notice from the Association. The failure of the Board to enforce any provision of the Declaration, By-Laws, or any rule or regulation shall not be deemed a waiver of the right of the Board to do so thereafter.

A. **Notice.** Prior to imposition of any sanction hereunder or under the Declaration, the Board or its delegate shall serve the alleged violator with written notice describing (i) the nature of the alleged violation, (ii) the proposed sanction to be imposed, (iii) a period of not less than ten (10) days within which the alleged violator may present a written request to the Covenants Committee, if any, or Board of Directors for a hearing; and (iv) a statement that the proposed sanction shall be imposed as contained in the notice unless a challenge is begun within ten (10) days of the notice. If a timely challenge is not made, the sanction stated in the notice shall be imposed;

The Board or the Covenants Committee may, but shall not be obligated to, suspend any proposed sanction if the violation is cured within the ten (10) day period. Such suspension shall not constitute a waiver of the right to sanction future violations of the same or other provisions and rules by any Person.

B. **Hearing.** If a hearing is requested within the allotted ten (10) day period, the
hearing shall be held by the body seeking to impose the sanction affording the alleged violator a reasonable opportunity to be heard. Prior to the effectiveness of any sanction hereunder, proof of proper notice shall be placed in the minutes of the meeting. Such proof shall be deemed adequate if a copy of the notice, together with a statement of the date and manner of delivery, is entered by the officer, Director, or agent who delivered such notice. The notice requirement shall be deemed satisfied if the alleged violator appears at the meeting. The minutes of the meeting shall contain a written statement of the results of the hearing and the sanction, if any, imposed.

C. Appeal. Following a hearing before the Covenants Committee, the violator shall have the right to appeal the decision to the Board. To perfect this right, a written notice of appeal must be received by the manager, President or Secretary of the Association within ten (10) days after the hearing before the Covenants Committee.

D. Additional Enforcement Rights. Notwithstanding anything to the contrary herein contained, the Association, acting through the Board may elect to enforce any provision of the Declaration, these By-Laws, or the rules and regulations of the Association by self-help (specifically including, but not limited to, the towing of vehicles that are in violation of parking rules and regulations) or by suit at law or in equity to enjoin any violation or to recover monetary damages or both without the necessity of compliance with the procedure set forth above. 6.3. Conflicts. If there are conflicts between the provisions of Florida law, the Articles the Declaration, and these By-Laws, the provisions of Florida law, the Declaration, the Articles, and the By-Laws (in that order) shall prevail.

A. Inspection by Members and Mortgagees. The Declaration and By-Laws, membership register, books of account, and minutes of meetings of the Members, the Board, and committees shall be made available for inspection and copying by any Mortgagee, Member or by his or her duly appointed representative at any reasonable time and for a purpose reasonably related to his or her interest as a Member at the office of the Association or at such other place within the Properties as the Board shall prescribe.

B. Thereafter and otherwise, these By-Laws may be amended only by the affirmative vote (in person or by alternate) or written consent, or any combination thereof, of Voting Members representing a majority of the total votes of the Association, including a majority of the votes held by Members other than the Developer. However, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause.

See By-Law ____ for present text." Nonmaterial errors or omissions in the By-Law amendment process shall not invalidate an otherwise properly promulgated amendment.

6.7. Arbitration. Internal disputes arising from the operation of the Association among Owners, the Board, or their agents and assigns may be resolved by voluntary binding arbitration.
